NOTICE OF SPECIAL MEETING

LAKE COUNTY 2070 WORKSHOP
Tuesday, December 6 from 6:00 to 7:30 p.m. in Tavares
at the UF/IFAS Agricultural Center
(1951 Woodlea Rd., Tavares, FL 32778)

Residents of Lake County enjoy a diversity of communities within a stone's throw from home. From the small-town charm found along historic Main Street communities, to the lakes and rolling hills offering elite athletes prime training opportunities, to the designated wilderness areas providing camping and kayaking adventures, you can truly appreciate the county's slogan "Real Florida. Real Close."

To protect and promote these special places, 1000 Friends is pleased to be part of the East Central Florida Regional Planning Council's Joint Planning Area project approved by Lake County earlier this summer. 1000 Friends will host our next 2070 workshop in Lake County on December 6 to hear residents' specific challenges and opportunities for the future of the area. Working with the planning council, we will share our workshop findings and contribute toward a common conservation strategy that will help the 14 municipalities coordinate growth and development within the county. Your input as concerned citizens, agricultural producers, business leaders, and community stakeholders is needed to help us identify conservation corridors while also allowing Lake County's economy to flourish. Please join us Tuesday evening, December 6th, from 6:00 – 7:30 p.m. at the Lake County UF/IFAS Extension Auditorium 1951 Woodlea Rd, Tavares, FL 32778.

NOTICE: Please note that, for purposes of Section 286.011, Florida Statutes, two or more members of the City Council may be present at this meeting, and this meeting may be considered a City Council Meeting.
