SUBJECT: Request Approval of Contracts for Appraisal Services - Land and Real Property for RFQ# 24-CM-018

Introduction:

This is a request for City Council to Approve the Contracts for RFQ# 24-CM-018 – Appraisal Services for Land and Real Property.

Discussion:

RFQ# 24-CM-018 was issued on September 12, 2024, to solicit qualifications from experienced and certified appraisal firms to support the City of Mount Dora, the Community Redevelopment Agency (CRA), and the Northeast CRA with on-call real estate appraisal services. These services are needed to support a wide range of municipal initiatives including public land acquisitions, economic development projects, infrastructure expansion, redevelopment initiatives, and affordable housing strategies.

The purpose of engaging multiple appraisal firms is to ensure that the City has access to timely, accurate, and objective property valuations to inform decision-making across departments. The selected firms will provide appraisals on an as-needed basis through task authorizations issued by the City. These task orders may include valuation of vacant land, improved and unimproved commercial and residential properties, and other real estate interests. All appraisals must comply with the Uniform Standards of Professional Appraisal Practice (USPAP) and applicable Florida laws and administrative codes.

On October 21, 2024, the evaluation committee reviewed and scored the three responsive submittals and reached a consensus on their final ranking:

- BBG, Inc.
- Cushman & Wakefield
- Edwin R. Barfield, LLC

Staff recommends entering into continuing contracts with these three firms to ensure adequate coverage and responsiveness across a diverse set of appraisal needs. Executing these agreements does not obligate the City to any guaranteed workload or expenditure but establishes a contractual mechanism for issuing task-specific work as needs arise.

Each task authorization will include a defined scope of services, schedule, and fee proposal. Pricing will be based on a lump-sum quote per assignment, in accordance with each firm's submitted rate structure and subject to the City's review and approval.

Budget Impact:

No budget impacts. Services are on-call.

Strategic Impact:

Economic Development, Redevelopment, Affordable Housing.

Strategic Initiative 1: Promote Economic Development

Strategic Initiative 3: Strengthen and Expand Mount Dora's Infrastructure

Strategic Initiative 4: Provide High-Quality Services

Recommendation:

City Council to approve the three (3) contracts for RFQ# 24-CM-018 Appraisal Services for Land and Real Property.

Baker St., Mount Dora, Florida 32757 (the “CITY”); the **MOUNT DORA COMMUNITY REDEVELOPMENT AGENCY** (the “CRA”), a public body corporate and politic, duly established and operating under the authority of Chapter 163, Part III, *Florida Statutes*; the **NORTHEAST COMMUNITY REDEVELOPMENT AGENCY** (the “NORTHEAST CRA”), a public body corporate and politic, duly established and operating under the authority of Chapter 163, Part III, *Florida Statutes*; and **BBG, INC.**, a foreign corporation, whose local address is 1601 East Amelia Street, Orlando, Florida 32803 (the “FIRM”).

WITNESSETH:

WHEREAS, the CITY, the CRA, and the NORTHEAST CRA (collectively hereinafter referred to as the “CITY”, unless expressly stated otherwise) have determined that there is a need for professional services related to appraisal services of land and real property; and

WHEREAS, on September 12, 2024, the CITY, the CRA, and the NORTHEAST CRA issued a joint Request for Qualification #24-CM-018 (the “RFQ”), attached hereto as **Exhibit “A”** and incorporated herein by reference, seeking qualified firms to provide the required appraisal services of land and real property; and

WHEREAS, the FIRM’s submitted response, attached hereto as **Exhibit “B”** and incorporated herein by reference, was evaluated and determined by the CITY to be one of the most advantageous, based on qualifications, experience, and ability to perform the required services; and

WHEREAS, on October 29, 2024, the CITY, including the CRA and the NORTHEAST CRA, selected the FIRM to perform the professional services hereunder, and the parties thereafter entered into competitive negotiations; and

WHEREAS, the CITY desires to engage the FIRM on a continuing basis to provide the necessary professional services as required, and the FIRM is willing to provide such services under the terms and conditions set forth herein; and

WHEREAS, the FIRM agrees that this Contract shall not guarantee any specific project or amount of work to the FIRM, but rather will provide a mechanism for the CITY, the CRA, and/or the NORTHEAST CRA to obtain professional services as needed during the term of the contract; and

WHEREAS, the CITY, the CRA, and/or the NORTHEAST CRA may issue specific task authorizations or task orders pursuant to this Contract, which shall define the scope of work and schedule for each individual project (“Task Authorization”); and

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties hereto agree as follows:

SECTION 1. RECITALS

1.1 The foregoing recitals are true and correct and are incorporated herein by this reference.

SECTION 2. TASK AUTHORIZATIONS; SCOPE OF SERVICES

- 2.1 The CITY, the CRA, and/or the NORTHEAST CRA shall, from time to time at its sole discretion, authorize the FIRM in writing to provide professional services, as defined in the RFQ, by means of a Task Authorization under the terms of this Contract. The services shall be for the types of projects or similar disciplines set forth in the RFQ, and as more particularly described in the Task Authorization. The FIRM shall perform any and all services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession and the RFQ.
- 2.2 The CITY and the FIRM shall utilize a standard CITY Task Authorization form, which may be amended from time to time, for any and all professional services, which will set forth the following, as applicable:
- 2.2.1 Scope of Services
 - 2.2.2 Deliverables (e.g. specifications, etc.)
 - 2.2.3 Time and schedule of performance
 - 2.2.4 FIRM’s Task Authorization Quote
 - 2.2.5 Project personnel, including the FIRM’s Key Employees and any subcontractors assigned to the Task Authorization
 - 2.2.6 Any additional federal, state, or local requirements.
- 2.3 The FIRM shall commence the performance of professional services within three (3) business days of the execution of the applicable Task Authorization, unless otherwise specified in the Task Authorization. Any services rendered by the FIRM prior to the execution of a Task Authorization shall be at the FIRM’s sole risk. Time is of the essence with respect to this Contract and any Task Authorization issued thereof.
- 2.4 The FIRM shall submit to the CITY all final deliverables within the contract time as noted in the Task Authorization and associated FIRM Proposal.
- 2.5 The CITY reserves the right, in its sole discretion, to suspend the methods of equitable distribution of projects, if any, for any FIRM that has not performed to the CITY’s expectations. If the CITY, in its sole discretion, is dissatisfied with current or past work of the FIRM’s, the CITY may select another qualified firm.
- 2.6 Each Task Authorization shall be deemed to incorporate the terms and conditions of this Contract by reference. If any of the terms or conditions of this Contract conflict with the Task Authorization, the provisions of the Task Authorization shall apply.

SECTION 3. TERM/TERMINATION/SUSPENSION

3.1 *Term.* This Contract shall have an initial term of three (3) years commencing on the date the last party executes this Contract. Thereafter, this Contract, by mutual agreement and

funding availability, shall automatically renew for two (2) consecutive one-year (1) renewal periods unless a party provides written notice of non-renewal to the other party at least one hundred twenty (120) days prior to the renewal date (“Agreement Anniversary Date”). A Task Authorization shall specify the agreed-upon timeframe within which the FIRM shall provide the specified services. Any Task Authorization executed prior to the natural expiration of this Contract that extends beyond the expiration date shall remain subject to the terms and conditions herein as if this Contract were still in effect.

- 3.2 *Termination For Convenience.* The CITY reserves the right to terminate this Contract at any time, for convenience, upon thirty (30) days’ written notice to the FIRM. Upon receipt of such termination notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. If the CITY terminates the Contract for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for work completed to the CITY’s satisfaction, up to the date of the termination notice. Such compensation shall be limited to the FIRM’s reasonable, documented costs incurred during the performance of the Contract. The CITY shall not be obligated to pay any profit for services that have not been rendered.
- 3.3 *Fund Availability.* The services to be performed under this Contract are subject to the annual appropriation of funds by the CITY. In its sole discretion, the CITY reserves the right to forgo use of the FIRM for any work which may fall within the Scope of Services contemplated herein. If funds are not appropriated for the continuance of a Task Authorization to completion, cancellation will be accepted by the FIRM upon thirty (30) days’ written notice from the CITY. Upon receipt of such notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. This clause includes any statutory amendments made by general law which prohibit or limit the use of CRA and NORTHEAST CRA funds for projects.
- 3.4 *Termination For Cause.*
- 3.4.1 This Contract may be terminated by the CITY immediately for cause if the FIRM is found to have failed to perform in a manner satisfactory to the CITY. In the event of the termination of this Contract, any liability of one party to the other arising out of any services rendered, or any act or event occurring prior to the termination, shall not be terminated or released.
- 3.4.2 If the FIRM abandons this Contract or the CITY terminates the Contract for cause, the FIRM shall indemnify the CITY for any losses incurred as a result of such termination. This indemnification obligation is in addition to, and shall not limit, the general indemnification provisions set forth in this Contract. In the event the CITY terminates this Contract for cause, and a court of competent jurisdiction subsequently determines that such termination was without cause, the termination shall be deemed a termination for convenience pursuant to the terms of this Contract.
- 3.4.3 In addition to any other termination provisions that may be provided in this Contract, the CITY may terminate this Contract, in whole or in part, if the FIRM makes a willfully false project quote or substantially fails to perform any

obligation under this Contract and does not remedy the failure within thirty (30) calendar days after receiving written notice from the CITY to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the FIRM shall have such time as is reasonably necessary to remedy the failure, provided the FIRM promptly takes and diligently pursues such actions as are necessary therefor. The FIRM may terminate this Contract if the CITY substantially fails to perform any obligation under this Contract, and does not remedy the failure within thirty (30) calendar days after receipt by the CITY of written notice from the FIRM to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the CITY shall have such time as is reasonably necessary to remedy the failure, provided it promptly takes and diligently pursues such actions as are necessary therefor.

- 3.5 *Assignment Upon Termination.* In the event of termination of this Contract or associated Task Authorization by the CITY prior to the FIRM's satisfactory completion of all the services specified herein, the FIRM shall promptly furnish to the CITY, at no additional cost or expense, one copy of all work product which may have been produced up to and including the date of termination. Such work product includes, but is not limited to, data, specifications, calculations, estimates, plans, drawings, construction documents, photographs, summaries, reports, CD-ROM files, memoranda, and any and all other documents, instruments, information, and materials, in whole or in part, generated or prepared by the FIRM, or by any subcontractor of the FIRM, in rendering the services described herein. These materials, collectively referred to as the "Documents," shall become the sole property of the CITY. The CITY shall possess all rights associated with the Documents, regardless of their nature or relationship. The FIRM shall also require its subcontractor, if any, to agree in writing to be bound by the provisions of this subsection.
- 3.6 *Suspension of Performance.* The CITY reserves the right to suspend the FIRM's services under any Task Authorization. If the CITY suspends performance for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for its reasonable and demonstrable costs incurred during the suspension period.
- 3.7 *Non-Exclusive Contract.* The City Manager and/or the authorized representative of the CRA and/or the NORTHEAST CRA may issue requests for proposals for this professional discipline at any time and may utilize the services of any other firm(s) retained by the CITY under similar contracts. Nothing in this Contract shall be construed to give the FIRM a right to perform services for a specific project.

SECTION 4. ADDITIONAL SERVICES; CHANGES IN SCOPE OF SERVICES

- 4.1 *Change Order Defined.* A "Change Order" shall mean a written document executed by the CITY and the FIRM authorizing and directing a modification to a duly executed Task Authorization's scope of services, price, time, or any combination thereof. A Task Authorization shall only be modified by an executed Change Order or the issuance of a new Task Authorization.

- 4.2 *Effect of Executed Change Order.* A duly executed Change Order shall constitute conclusive evidence of the parties' mutual agreement to the specified changes to the Task Authorization. By executing the Change Order, the FIRM waives and forever releases any claim against the CITY for additional time or compensation related to or arising from the services included within or affected by the executed Change Order. The FIRM acknowledges and agrees that no claim for delay damages shall be asserted against the CITY, and hereby waives any right to pursue such claim.

SECTION 5. CITY'S RESPONSIBILITIES

- 5.1 The CITY shall assist the FIRM by providing the FIRM with available information that is pertinent to the Task Authorization, as may be requested in writing by the FIRM, and allow reasonable access to pertinent information relating to the services to be performed by the FIRM.
- 5.2 The CITY shall furnish to the FIRM, at the FIRM's written request, all available maps, plans, existing studies, reports, and other data in the CITY's possession that are pertinent to the services to be provided by the FIRM.
- 5.3 The CITY shall provide the FIRM access to CITY property as required for the FIRM to perform services under this Contract or any Task Authorization.

SECTION 6. FIRM'S RESPONSIBILITIES

- 6.1 Any and all drawings, studies, plans, specifications, or other contract documents prepared by the FIRM shall be accurate, coordinated, and adequate for the required services and shall comply with all applicable City of Mount Dora Codes, and local, state, and federal laws, rules, and regulations. The FIRM acknowledges and agrees that said applicable federal laws, rules, and regulations were included in the RFQ and are expressly incorporated into the terms and conditions of this Contract.
- 6.2 The FIRM agrees to obtain and maintain throughout the period of this Contract all such licenses as are required to do business in the State of Florida, the City of Mount Dora, and Lake County, Florida, including, but not limited to, all licenses required by the respective state boards and other governmental agencies responsible for regulating and licensing the professional services to be provided and performed by the FIRM pursuant to this Contract and any Task Authorization.
- 6.3 The FIRM shall perform any and all project services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession; that it is adequately financed to meet any financial obligations it may be required to incur hereunder; and that the designs, plans, drawings, specifications or other work product of the FIRM shall not call for the use of nor infringe on any patent, trademark, service mark, copyright or proprietary interest claimed or held by any person or business entity absent prior written consent from CITY.
- 6.4 The FIRM shall exercise the same degree of care, skill, and diligence in the performance of the services for each Task Authorization as any other similarly situated contractor possessing the degree of skill, knowledge, experience, and expertise, working on similar

activities or services required under this Contract. If at any time during the term of this Contract, the City determines, in its sole discretion, that the deliverables provided by the FIRM are incorrect, defective, or fail to conform to the scope of services of the applicable Task Authorization, whether by error or omission, the FIRM shall, upon written notification from the CITY, immediately correct the work and/or, re-perform services that failed to satisfy the foregoing standard of care, and shall pay all costs and expenses associated with correcting said incorrect, defective, or nonconforming services, including but not limited to any additional testing and inspections. The CITY's rights and remedies under this section are in addition to, and are cumulative of, any and all other rights and remedies provided by this Contract or any Task Authorization, in equity or otherwise.

- 6.5 The FIRM shall comply with all laws, ordinances, and governmental rules, regulations, and order, now or at any time during the term of the Contract, which are applicable to, or which affect, the work performed under this Contract or any Task Authorization, or any procedures of the FIRM for such work.
- 6.6 The FIRM's obligations under this Contract section shall survive termination of this Contract or any Task Authorization.

SECTION 7. KEY EMPLOYEES

- 7.1 The FIRM agrees that, when services provided relate to a professional service which, under Florida Statutes, requires a license, certificate of authorization or other form of legal entitlement to practice such services, it shall employ and/or retain only qualified personnel.
- 7.2 If applicable, each Task Authorization shall identify Key Employees assigned for the specific project, including, but not limited to, a designated point of contact, and, as applicable, Principal-In-Charge, Project Manager(s), and/or Project Engineer(s).

SECTION 8. SUBCONTRACTORS

- 8.1 In the event the FIRM requires the services of any subcontractor or other professional associates in connection with services covered by any Task Authorization, the FIRM must secure the prior written approval of the City Manager or the authorized representative of the CRA or the NORTHEAST CRA, as applicable. No reimbursement shall be made to the FIRM for any subcontractor that have not been previously approved by the CITY for use by the FIRM.
- 8.2 The FIRM shall coordinate the services and work product of any subcontractors and remain fully responsible under the terms of this Contract and any Task Authorizations. The FIRM shall be and remain responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, as applicable, and other services furnished by any subcontractor.
- 8.3 Any subcontractor shall be bound by the terms and conditions of this Contract and any Task Authorizations. The FIRM shall require all subcontractors, as a condition of employment, to execute an agreement for professional subcontractor services that i) incorporates the elements of this Contract and any Task Authorizations; ii) affords to the FIRM rights against the subcontractor which correspond to those rights afforded to the

CITY against the FIRM herein, including, but not limited to, those rights of termination as set forth herein; and iii) requires the subcontractor to assume performance of the FIRM's duties commensurately with FIRM's duties to the CITY under this Contract and any Task Authorizations, it being understood that nothing herein shall in any way relieve the FIRM from any of its duties under this Contract and any Task Authorization.

- 8.4 Each approved subcontractor performing work hereunder shall submit to the CITY a completed Human Trafficking Affidavit prior to commencing any work or services pursuant to this Contract.

SECTION 9. INDEPENDENT CONTRACTOR

- 9.1 The FIRM is an independent contractor under this Contract and any Task Authorization. Services provided by the FIRM shall be by employees of the FIRM and subject to supervision by the FIRM, and not as officers, employees, or agents of the CITY. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, purchasing policies, and other similar administrative procedures applicable to services rendered under this Contract or any Task Authorizations shall be those of the FIRM. The FIRM shall retain sole and absolute discretion in the judgment of the manner and means of carrying out the FIRM'S activities and responsibilities under this Contract and any Task Authorization.

SECTION 10. COMPENSATION

- 10.1 *Fee Schedule.* The CITY shall compensate the FIRM based on services rendered on an hourly basis, consistent with actual hours worked and the Fee Schedule, attached hereto as **Exhibit "C"** and incorporated herein by this reference. All applicable fees, payments, reimbursements, and costs paid to the FIRM shall be based on the Fee Schedule, as may be amended, which shall include the hourly rate for each member of the FIRM, including the position and/or title. All fees contained on the initial Fee Schedule shall remain in effect from the Contract's Anniversary Date through September 30, 2026.
- 10.2 *Task Authorization Quote.* Per each issued Task Authorization, the FIRM shall deliver to the CITY a quote, which is in full narrative form unless directed otherwise by the CITY. The FIRM's written quote shall include projected costs, which are based on the Fee Schedule as set forth in **Exhibit "C"**, and the project completion time. The FIRM shall complete appraisal reports based upon the issued Task Authorization.
- 10.3 *Reimbursed Costs.* The FIRM shall not be entitled to reimbursement from the CITY for time spent traveling to or from CITY meetings or any project site location(s), or any other incidental fees the FIRM may incur to provide the required services under this Contract or any Task Authorization. The CITY shall make the sole determination of what qualifies as an incidental expense. The CITY shall not remit a retainer or similar fee to the FIRM.
- 10.4 *Fee Adjustments.* Fees may be adjusted annually after September 30, 2026, with any adjustments becoming effective on October 1st of the applicable year, upon prior written notice provided by the FIRM and the CITY's written acceptance. If the FIRM chooses to do so, the FIRM may submit an annual request for a fee adjustment, no later than May 31st of each calendar year beginning in the year 2026, to the CITY's Purchasing Coordinator.

Any and all decisions regarding a fee adjustment request shall be solely within the CITY's discretion. If the FIRM fails to submit a fee adjustment request before or on May 31st of an eligible year, the FIRM forfeits the opportunity to request a fee adjustment for such year. The CITY will not consider fee adjustment requests submitted after the deadline.

- 10.5 *Invoices.* The CITY shall pay the FIRM for actual work performed in the previous month, as detailed in each of the FIRM's monthly invoices and in accordance with the Fee Schedule as provided in each Task Authorization. Each invoice submitted under this Contract must include the billing period, the name of the individual generating the charge, a detailed description of the actual work performed, including the locations of which were serviced and the service dates, the project or fund to be charged (as provided by City staff), the appropriate Task Authorization number, and any other information required by the CITY. Invoices that do not include all required information may be returned for correction and resubmission. As applicable, invoices for each phase shall not exceed amounts allocated to each phase of a project. Charges for reimbursable expenses and subcontractor services shall be without surcharge.
- 10.6 *Billing Address.* All invoices shall be submitted to the appropriate agency: City of Mount Dora, Mount Dora Community Redevelopment Agency, or the Northeast Community Redevelopment Agency; Attn: Accounts Payable, 510 N. Baker St., Mount Dora, FL 32757.
- 10.7 *Payment.* The CITY shall pay the FIRM in accordance with the Local Government Prompt Payment Act (§ 218.70 *et seq.*, *Florida Statutes*).
- 10.8 *Disputed Invoices.* The CITY's objection to the payment amount shall be accompanied by the CITY's remittance of any undisputed portion of the payment. If the objection is resolved in favor of the FIRM, then the CITY shall pay the FIRM the amount so determined, minus any compensation amount previously paid to the FIRM with respect to the objection. If it is determined that the CITY has overpaid the FIRM, then the FIRM shall, within thirty (30) calendar days, refund to the CITY the overpayment amount.
- 10.9 *Final Payment.* The acceptance by the FIRM, its successors, or assigns, of any final payment due upon the termination of this Contract or any Task Authorization, shall constitute a full and complete release of the CITY from any and all claims or demands regarding further compensation for authorized services rendered prior to such final payment that the FIRM, its successors, or assigns, have or may have against the CITY under the provisions of this Contract, unless otherwise previously and properly filed pursuant to the provisions of this Contract or in a court of competent jurisdiction. However, the CITY's acceptance of the FIRM's final invoice and any payment made in connection therewith shall not constitute a waiver of any rights or causes of action the CITY may have arising out of the FIRM's performance of services under this Contract. The CITY expressly reserves the right to pursue any claims or remedies available under this Contract or applicable law, notwithstanding the acceptance of the final invoice or payment. Final payment by the CITY shall be based on receipt and approval by the CITY of the final reports.

All Work Product shall be provided to the CITY in both hard copy and electronic formats. The FIRM shall deliver all Work Product to the CITY upon each project completion, unless provided otherwise by the CITY, in its sole discretion. If the CITY terminates this Contract or any Task Authorization, the FIRM shall deliver all Work Product to the CITY within five (5) calendar days of receiving written notice requesting delivery. In no event shall the FIRM use or permit the use of any Work Product without the CITY’s prior written authorization.
- 14.2 As applicable, all final plans and documents prepared by the FIRM shall bear the endorsement and seal of a person duly registered professional, as appropriate, in the State of Florida and date approved and/or sealed.
- 14.3 All subcontracts entered into by the FIRM for the preparation of reports, studies, plans, drawings, specifications, digital files, or other data pursuant to any Task Authorization shall contain provisions requiring that all such documents and rights obtained by virtue of such subcontracts shall become the property of the CITY.
- 14.4 The CITY acknowledges that the Work Product described herein is not intended for use in connection with any project or purpose other than the project and purpose for which the materials are prepared. Any use by the CITY of such materials in connection with a project or purpose other than that for which such materials were prepared, without the prior written consent of the FIRM, shall be at the CITY’s sole risk, and the FIRM shall have no responsibility or liability related thereto.

SECTION 15. INDEMNITY

- 15.1 The FIRM shall at all times hereafter indemnify and hold harmless, the CITY, the CRA, and/or the NORTHEAST CRA, and their officials and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys’ fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the FIRM, and/or its employees, agents, contractors or any other person utilized by the FIRM in the performance of this Contract.
- 15.2 Nothing herein shall be interpreted to constitute a waiver of sovereign immunity of the CITY, the CRA, and/or the NORTHEAST CRA, as set forth in § 768.28, *Florida Statutes*. The CITY, the CRA, and/or the NORTHEAST CRA’S liability hereunder, whether arising under statute, common law, tort or contract, shall be limited to Two Hundred Thousand Dollars (\$200,000.00) for any single claim and Three Hundred Thousand Dollars (\$300,000.00) for aggregate claims. The provisions and obligations of this section SHALL

NOT be limited by any required insurance coverage amounts and shall survive the termination or natural expiration this Contract.

SECTION 16. **INSURANCE**

- 16.1 The FIRM and its subcontractors of all tiers shall, at their sole cost and expense, procure and maintain throughout the term of this Contract and any Task Authorization insurance coverages with limits not less than those set forth in the RFQ, with insurers and under forms of policies satisfactory to the CITY. It shall be the responsibility of the FIRM to maintain the required insurance coverage and to ensure that subcontractors maintain required insurance coverages at all times. The FIRM's failure to maintain adequate coverage shall not relieve it of any contractual responsibility or obligation. The requirements specified herein as to types, limits, and the CITY's approval of insurance coverage to be maintained by the FIRM and its subcontractors are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the FIRM and its subcontractors under a contract. The FIRM acknowledges and agrees the insurance coverages procured by FIRM pursuant to this Contract shall be considered primary insurance over and above any other insurance or self-insurance available to the CITY, and that, notwithstanding any conflicting provision in the FIRM's policies to the contrary, any other insurance or self-insurance available to the CITY shall be considered secondary to, or in excess of, the insurance coverages procured by FIRM as required herein. Failure of the FIRM or its subcontractor to maintain insurance as specified herein or to otherwise comply with the provisions of this section shall be grounds for termination of this Contract.
- 16.2 Prior to commencing any services and/or work under this Contract, and as a condition precedent to the commencement of any services and/or work by the FIRM and any subcontractors, the FIRM and subcontractors shall furnish the CITY with certificates of insurance as evidence that policies providing the required coverage and limits of insurance are in full force and effect. The certificates shall provide that any company issuing an insurance policy for the work under a contract shall provide not less than thirty (30) days advance notice in writing to the CITY prior to cancellation, termination, or material change of any policy. In addition, the FIRM shall immediately provide written notice to the CITY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.
- 16.3 The CITY, the CRA, and the NORTHEAST CRA shall be listed as an Additional Insured by specific endorsement to the FIRM's policy. The CITY shall be named as the Certificate Holder and shall read as required by the CITY. The CITY reserves the right to change the insurance requirements depending upon the scope of work in a Task Authorization. Proof of insurance with the Additional Insured endorsement shall be provided to the CITY prior to commencing any work under any Task Authorization. Only the entity issuing the Task Authorization – the CITY, the CRA, or the NORTHEAST CRA – must be listed as an additional insured.

SECTION 17. NO CONTINGENT FEE; CONFLICT OF INTEREST

- 17.1 The FIRM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the FIRM, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the FIRM, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Contract. For a breach or violation of this section, the CITY shall have the right to terminate this Contract or any Task Authorization without liability and, at the CITY's discretion, deduct from the Contract price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.
- 17.2 The FIRM expressly represents that it presently has no interest and shall acquire no interest, either directly or indirectly, which would conflict in any manner with its performance of services as contemplated herein. The FIRM further represents that no person having any such interest shall be employed to perform the services.

SECTION 18. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY)

- 18.1 In accordance with § 448.095, *Florida Statutes*, the CITY requires all contractors and subcontractors doing business with the CITY to register with and use the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The FIRM hereby affirms that it is registered with and uses the E-Verify system to verify the work authorization status of all newly hired employees and shall continue to do so throughout the term of this Contract. Upon request, the FIRM shall provide evidence of such registration and compliance. The FIRM agrees to obtain from all subcontractors an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien, in accordance with § 448.095, *Florida Statutes*, as may be amended. The FIRM shall retain a copy of such affidavits for the duration of this Contract and provide copies to the CITY upon request. The FIRM acknowledges that failure to comply with this Section, including failure to secure and retain subcontractor affidavits, may result in termination of this Agreement and other penalties as provided by law.

SECTION 19. TRUTH-IN-NEGOTIATION

- 19.1 Execution of this Contract by the FIRM shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Contract, or any Task Authorization, are accurate, complete, and current at the time of contracting. The FIRM acknowledges and agrees that any project or Task Authorization price, and any additions thereto, shall be adjusted to exclude any significant sums by which the CITY determines that the price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such adjustments shall be made within one (1) year following the end of each Task Authorization.

SECTION 20. **NON-COLLUSION**

20.1 Execution of this Contract by the FIRM shall act as the execution of a non-collusion certificate stating that it has entered into no agreement to commit a fraudulent, deceitful, unlawful, or wrongful act, or any act that may result in unfair advantage for one or more Firms over other Firms. Conviction for the commission of any fraud or act of collusion in connection with any sale, quote, quotation, proposal, or other act incident to doing business with CITY may result in permanent debarment. No premiums, rebates, or gratuities are permitted, either with, prior to, or after any delivery of material or provision of services. Any such violation may result in award cancellation, return of materials, discontinuation of services, and removal from the Firm list(s), and/or debarment or suspension from doing business with the CITY.

SECTION 21. **DRUG-FREE WORKPLACE**

21.1 The FIRM hereby certifies that it complies with Florida’s Drug-Free Workplace Program as outlined in § 287.087, *Florida Statutes*. The FIRM agrees to maintain a drug-free workplace throughout the term of this Contract and will provide evidence of such compliance upon request by the CITY.

SECTION 22. **SCRUTINIZED COMPANIES**

22.1 In accordance with § 287.135, *Florida Statutes*, the FIRM certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is engaged in a boycott of Israel, nor is on the Scrutinized Companies that Boycott Israel List. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Section List, nor, to the extent not preempted by Federal law, has been engaging in business operations in Cuba or Syria. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or, to the extent not preempted by Federal law, is engaged in business operations in Cuba or Syria. In the event the FIRM, or any of its subsidiaries, parent companies, or affiliates, engages in a boycott of Israel, is placed on any of the above-described Scrutinized Companies Lists, or, to the extent not preempted by Federal law, engages in business operations in Cuba or Syria during the term of this Contract, then the FIRM shall immediately notify the CITY. The FIRM acknowledges that failure to comply with this Section, including any false certification, may subject the FIRM to civil penalties, termination of this Contract without regard for the notice provisions herein contained, and any other remedies available under the law.

SECTION 23. **PUBLIC ENTITY CRIME**

23.1 In accordance with § 287.133, *Florida Statutes*, no person or affiliate, as defined in therein, shall be allowed to contract with the CITY, nor be allowed to enter into a subcontract for work under this Contract, if such a person or affiliate has been placed on the convicted

vendor list following a conviction for a public entity crime within the preceding thirty-six (36) months. The FIRM hereby affirms that neither the FIRM nor any of the FIRM's affiliates or subcontractors are on the convicted vendor list. The FIRM shall notify the CITY immediately if the FIRM, or any affiliate or subcontractor, is placed on the convicted vendor list during the term of this Contract. The FIRM acknowledges that failure to comply with this section may result in termination of this Contract and other penalties as provided by law.

SECTION 24. HUMAN TRAFFICKING AFFIDAVIT

- 24.1 The FIRM hereby represents, warrants, and certifies that the FIRM does not use coercion for labor or services as defined in § 787.06, *Florida Statutes*, and that the FIRM has provided to the CITY the Human Trafficking Affidavit, attached hereto as **Exhibit "D"**, and incorporated herein by reference.

SECTION 25. NON-DISCRIMINATION; FEDERAL WAGES

- 25.1 The FIRM, for itself, its delegates, successors-in-interest, and its assigns, and as a part of the consideration hereof, does hereby covenant and agree that i) in the furnishing of services to the CITY hereunder, no person shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in regard to this Contract on the grounds of such person's race, color, national origin, religion, sex, age, disability, sexual orientation, or marital status; and ii) the FIRM shall comply with all existing requirements concerning discrimination imposed by any and all applicable local, state, and federal rules, regulations, or guidelines, and they may be amended from time to time. In the event of a breach of any of the nondiscrimination covenants described in this section, the CITY shall have the right to terminate this Contract and any Task Authorizations for cause.
- 25.2 If any project is subject to federal and grant funding that requires specific wage and non-discrimination provisions, the FIRM shall be required to comply with the same.

SECTION 26. DISPUTE RESOLUTION; VENUE; WAIVER OF JURY TRIAL

- 26.1 In the event of any dispute, claim, or controversy arising out of or relating to this Contract or a Task Authorization, the parties agree to first attempt to resolve the matter through good faith negotiations. Any party may initiate the negotiation process by providing written notice to the other party, outlining the nature of the dispute. The parties shall use their best efforts to resolve the dispute within thirty (30) days of such notice. If these efforts are unsuccessful, the matter shall be submitted to a court of appropriate jurisdiction within Lake County, Florida. Said parties hereby consent to the jurisdiction of such court and **EXPRESSLY WAIVE THE RIGHT TO A JURY TRIAL.**

SECTION 27. GOVERNING LAW; SEVERABILITY

- 27.1 Notwithstanding any conflict of laws, this Contract and any Task Authorization issued pursuant to this Contract shall be construed in accordance with and governed by the laws of the State of Florida. In the event any provision hereof is determined to be unenforceable or invalid, such unenforceability or invalidity shall not affect the remaining provisions of

this Contract, which shall remain in full force and effect. To that extent, this Contract is deemed severable.

SECTION 28. **ASSIGNMENT**

28.1 This Contract and any Task Authorizations shall not be assigned, transferred, conveyed, or otherwise encumbered without the prior written consent of the CITY.

SECTION 29. **AMENDMENTS**

29.1 No modification, amendment, or alteration to the terms or conditions of this Contract, or any Task Authorization, shall be effective unless contained in a written document executed by the parties.

SECTION 30. **FORCE MAJEURE**

30.1 No party herein shall be liable for any failure or delay in the performance of its obligations under this Contract if such failure or delay is caused by or results from events beyond the reasonable control of the affected party, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, acts of nature, or any other cause beyond the reasonable control of the parties (each a “Force Majeure Event”). The party affected by a Force Majeure Event shall promptly notify the other party in writing of the occurrence of such event and shall use commercially reasonable efforts to resume performance as soon as possible.

SECTION 31. **EXHIBITS; CONFLICTS**

31.1 Each Exhibit referred to in this Contract forms an essential part of this Contract. Exhibits, if not physically attached, shall be treated as part of this Contract, and are incorporated by reference.

31.2 In the event of any conflict between the terms and conditions of this Contract, any Task Authorization issued pursuant to this Contract, and any Exhibits attached hereto, the following order of precedence shall apply: i) the terms and conditions of this Contract shall prevail first; and ii) the terms and conditions of the applicable Task Authorization shall prevail second. Any conflicting terms and conditions in Exhibits or other documents shall be subordinate to the terms of this Contract and the Task Authorization, unless mutually agreed to in writing by the applicable parties.

SECTION 32. **PROMOTION**

As is more fully explained in Section "6L" of this RFQ, an award, if made, will be made to the best overall proposer(s) whose submittal is most advantageous to the City, taking into consideration the evaluation factors set forth in this RFQ. The City will not use any other factors or criteria in the evaluation of the bids received.

B) Background

No bids including alternates shall be withdrawn within one hundred and eighty (180) days after the bid closing date thereof. If a bid is not accepted within said time period it shall be deemed rejected. In the event that the City awards the contract prior to the expiration of the one hundred and eighty (180) day period without selecting any or all alternates, the City shall retain the right to subsequently award to the successful Proposer said alternates at a later time and approved by the Finance Director or designee, and the successful Proposer.

The City shall not bear the responsibility for proposals submitted past the stated date and/or time indicated.

E) Evaluation of Qualification/Response (Procedure)

The City's procedure for selecting is as follows:

1. An Evaluation Committee of at least three (3), but always an odd number, will be selected to review all responsive Proposals submitted in accordance with Statutes.
2. Subsequent to the closing of Proposals, the Purchasing Coordinator shall review the Proposals received and verify whether each Proposal appears to be responsive to the requirements of the published **RFQ**.
3. All evaluation committee members shall review the Request for Qualifications (**RFQ**) issued.
4. The committee members shall review each **RFQ** individually and score each submittal based only on the evaluation criteria state herein.
5. Prior to the first meeting of the evaluation committee, if not included in the solicitation document, the City will post a notice announcing the date, time and place of the first committee meeting. Said notice shall be posted in the lobby of the City Hall, on www.demandstar.com and on the City's website not less than three (3) working days prior to the meeting. The City shall also post prior notice of all subsequent committee meetings and shall post such notices at least one (1) day in advance of all subsequent meetings.
6. The committee will compile individual rankings, based on the evaluation criteria as stated herein, for each Qualification to determine committee recommendations. The committee may schedule presentations or demonstrations from the top-ranked firm(s), and may at their discretion make site visits, and obtain guidance from third party subject matter experts. The final recommendation will be decided based on review of scores and consensus of committee.

In general, the City wishes to avoid the expense to the City and to proposers of unnecessary oral interviews. Therefore, the City will make every reasonable effort to achieve the ranking using written submittals alone. If no single top-ranked firm can be clearly identified by review of the written submittals alone, then the evaluator(s) will request the Purchasing Coordinator to schedule the top ranked firm(s) for oral presentations/interviews.

The City reserves the right to withdraw this **RFQ** at any time and for any reason, and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.

Receipt of a Qualification submittal by the City or a submission of a submittal to the City offers no rights upon the Proposer nor obligates the City in any manner.

Acceptance of the Qualification submittal does not guarantee issuance of any other governmental approvals.

F) Ambiguity, Conflict, or Other Errors in the RFQ

If a Proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the **RFQ**, Proposer shall immediately notify the Purchasing Coordinator, noted herein, of such error in writing and request modification or clarification of the document. The Purchasing Coordinator will make modifications by issuing a written addendum/revision and will give written notice to all parties who have received this **RFQ** from the Finance Department.

The Proposer is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the **RFQ** prior to submitting a submittal or it shall be waived.

G) Qualification, Presentation, and Protest Costs

The City will not be liable in any way for any costs incurred by any proposer in the preparation of its Qualification in response to this **RFQ**, nor for the presentation of its Qualification and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

H) Acceptance or Rejection of Qualifications

The right is reserved by the City to waive any irregularities in any Qualification, to reject any or all Qualifications, to re-solicit for Qualifications, if desired, and upon recommendation and justification by the City to accept the Qualification which in the judgment of the City is deemed the most advantageous for the public and the City.

Any Qualification which is incomplete, conditional, obscured or which contains irregularities of any kind, may be cause for rejection. In the event of default of the successful proposer, or their refusal to enter into the City contract, the City reserves the right to accept the Qualification of any other proposer or to re-advertise using similar or revised documentation, at its sole discretion.

I) Requests for Clarification of Qualifications

Requests by the Purchasing Coordinator to a proposer(s) for clarification of Qualification(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive, and may be just cause to reject its Qualification.

J) Validity of Qualifications

No Qualification can be withdrawn after it is filed unless the Proposer makes their request in writing to the City prior to the time set for the closing of Qualifications.

All Qualifications shall be valid for a period of one hundred eighty (180) days from the submission date to accommodate evaluation and selection process.

K) Response Format

1. The Qualification shall be deemed an offer to provide services to the City. In submitting a Qualification, the Proposer declares that he/she understands and agrees to abide by all

specifications, provisions, terms and conditions of same, and all ordinances and policies of the City. The Proposer agrees that if the contract is awarded to him/her, he/she will perform the work in accordance with the provisions, terms and conditions of the Agreement.

2. To facilitate the fair evaluation and comparison of Qualifications, all Qualifications must conform to the guidelines set forth in this RFQ. Any portions of the Qualification that do not comply with these guidelines must be so noted and explained the Acceptance of Conditions section of the Qualification. However, any Qualification that contains such variances may be considered non-responsive.
3. Qualifications should be prepared simply and economically, providing a straightforward concise description of the Proposer's approach and ability to meet the City's needs, as stated in the RFQ.
4. Qualification submittals should be tabbed as noted below.

(Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CITY OF MOUNT DORA IS FOR THE CITY OF MOUNT DORA ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. **PROFESSIONAL SERVICES CONTRACT
FOR APPRAISAL SERVICES OF LAND AND REAL PROPERTY**

THIS AGREEMENT is made by and between the **CITY OF MOUNT DORA**, a Florida municipal corporation, with its principal address at 510 N. Baker St., Mount Dora, Florida 32757 (the “CITY”); the **MOUNT DORA COMMUNITY REDEVELOPMENT AGENCY** (the “CRA”), a public body corporate and politic, duly established and operating under the authority of Chapter 163, Part III, *Florida Statutes*; the **NORTHEAST COMMUNITY REDEVELOPMENT AGENCY** (the “NORTHEAST CRA”), a public body corporate and politic, duly established and operating under the authority of Chapter 163, Part III, *Florida Statutes*; and **CUSHMAN & WAKEFIELD REGIONAL, INC.**, a foreign corporation authorized to do business in the State of Florida, whose local address is 201 N. Franklin St., Suite 3300, Tampa, FL 33602 (the “FIRM”).

WITNESSETH:

WHEREAS, the CITY, the CRA, and the NORTHEAST CRA (collectively hereinafter referred to as the “CITY”, unless expressly stated otherwise) have determined that there is a need for professional services related to appraisal services of land and real property; and

WHEREAS, on September 12, 2024, the CITY, the CRA, and the NORTHEAST CRA issued a joint Request for Qualification #24-CM-018 (the “RFQ”), attached hereto as **Exhibit “A”** and incorporated herein by reference, seeking qualified firms to provide the required appraisal services of land and real property; and

WHEREAS, the FIRM’s submitted response, attached hereto as **Exhibit “B”** and incorporated herein by reference, was evaluated and determined by the CITY to be one of the most advantageous, based on qualifications, experience, and ability to perform the required services; and

WHEREAS, on October 29, 2024, the CITY, including the CRA and the NORTHEAST CRA, selected the FIRM to perform the professional services hereunder, and the parties thereafter entered into competitive negotiations; and

WHEREAS, the CITY desires to engage the FIRM on a continuing basis to provide the necessary professional services as required, and the FIRM is willing to provide such services under the terms and conditions set forth herein; and

WHEREAS, the FIRM agrees that this Contract shall not guarantee any specific project or amount of work to the FIRM, but rather will provide a mechanism for the CITY, the CRA, and/or the NORTHEAST CRA to obtain professional services as needed during the term of the contract; and

WHEREAS, the CITY, the CRA, and/or the NORTHEAST CRA may issue specific task authorizations or task orders pursuant to this Contract, which shall define the scope of work and schedule for each individual project (“Task Authorization”); and

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties hereto agree as follows:

SECTION 1. RECITALS

1.1 The foregoing recitals are true and correct and are incorporated herein by this reference.

SECTION 2. TASK AUTHORIZATIONS; SCOPE OF SERVICES

- 2.1 The CITY, the CRA, and/or the NORTHEAST CRA shall, from time to time at its sole discretion, authorize the FIRM in writing to provide professional services, as defined in the RFQ, by means of a Task Authorization under the terms of this Contract. The services shall be for the types of projects or similar disciplines set forth in the RFQ, and as more particularly described in the Task Authorization. The FIRM shall perform any and all services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession and the RFQ.
- 2.2 The CITY and the FIRM shall utilize a standard CITY Task Authorization form, which may be amended from time to time, for any and all professional services, which will set forth the following, as applicable:
 - 2.2.1 Scope of Services
 - 2.2.2 Deliverables (e.g. specifications, etc.)
 - 2.2.3 Time and schedule of performance
 - 2.2.4 FIRM’s Task Authorization Quote
 - 2.2.5 Project personnel, including the FIRM’s Key Employees and any subcontractors assigned to the Task Authorization
 - 2.2.6 Any additional federal, state, or local requirements.
- 2.3 The FIRM shall commence the performance of professional services within three (3) business days of the execution of the applicable Task Authorization, unless otherwise specified in the Task Authorization. Any services rendered by the FIRM prior to the execution of a Task Authorization shall be at the FIRM’s sole risk. Time is of the essence with respect to this Contract and any Task Authorization issued thereof.
- 2.4 The FIRM shall submit to the CITY all final deliverables within the contract time as noted in the Task Authorization and associated FIRM Proposal.
- 2.5 The CITY reserves the right, in its sole discretion, to suspend the methods of equitable distribution of projects, if any, for any FIRM that has not performed to the CITY’s expectations. If the CITY, in its sole discretion, is dissatisfied with current or past work of the FIRM’s, the CITY may select another qualified firm.
- 2.6 Each Task Authorization shall be deemed to incorporate the terms and conditions of this Contract by reference. If any of the terms or conditions of this Contract conflict with the Task Authorization, the provisions of the Task Authorization shall apply.

SECTION 3. TERM/TERMINATION/SUSPENSION

3.1 *Term.* This Contract shall have an initial term of three (3) years commencing on the date the last party executes this Contract. Thereafter, this Contract, by mutual agreement and

funding availability, shall automatically renew for two (2) consecutive one-year (1) renewal periods unless a party provides written notice of non-renewal to the other party at least one hundred twenty (120) days prior to the renewal date (“Agreement Anniversary Date”). A Task Authorization shall specify the agreed-upon timeframe within which the FIRM shall provide the specified services. Any Task Authorization executed prior to the natural expiration of this Contract that extends beyond the expiration date shall remain subject to the terms and conditions herein as if this Contract were still in effect.

- 3.2 *Termination For Convenience.* The CITY reserves the right to terminate this Contract at any time, for convenience, upon thirty (30) days’ written notice to the FIRM. Upon receipt of such termination notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. If the CITY terminates the Contract for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for work completed to the CITY’s satisfaction, up to the date of the termination notice. Such compensation shall be limited to the FIRM’s reasonable, documented costs incurred during the performance of the Contract. The CITY shall not be obligated to pay any profit for services that have not been rendered.
- 3.3 *Fund Availability.* The services to be performed under this Contract are subject to the annual appropriation of funds by the CITY. In its sole discretion, the CITY reserves the right to forgo use of the FIRM for any work which may fall within the Scope of Services contemplated herein. If funds are not appropriated for the continuance of a Task Authorization to completion, cancellation will be accepted by the FIRM upon thirty (30) days’ written notice from the CITY. Upon receipt of such notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. This clause includes any statutory amendments made by general law which prohibit or limit the use of CRA and NORTHEAST CRA funds for projects.
- 3.4 *Termination For Cause.*
- 3.4.1 This Contract may be terminated by the CITY immediately for cause if the FIRM is found to have failed to perform in a manner satisfactory to the CITY. In the event of the termination of this Contract, any liability of one party to the other arising out of any services rendered, or any act or event occurring prior to the termination, shall not be terminated or released.
- 3.4.2 If the FIRM abandons this Contract or the CITY terminates the Contract for cause, the FIRM shall indemnify the CITY for any losses incurred as a result of such termination. This indemnification obligation is in addition to, and shall not limit, the general indemnification provisions set forth in this Contract. In the event the CITY terminates this Contract for cause, and a court of competent jurisdiction subsequently determines that such termination was without cause, the termination shall be deemed a termination for convenience pursuant to the terms of this Contract.
- 3.4.3 In addition to any other termination provisions that may be provided in this Contract, the CITY may terminate this Contract, in whole or in part, if the FIRM makes a willfully false project quote or substantially fails to perform any

obligation under this Contract and does not remedy the failure within thirty (30) calendar days after receiving written notice from the CITY to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the FIRM shall have such time as is reasonably necessary to remedy the failure, provided the FIRM promptly takes and diligently pursues such actions as are necessary therefor. The FIRM may terminate this Contract if the CITY substantially fails to perform any obligation under this Contract, and does not remedy the failure within thirty (30) calendar days after receipt by the CITY of written notice from the FIRM to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the CITY shall have such time as is reasonably necessary to remedy the failure, provided it promptly takes and diligently pursues such actions as are necessary therefor.

- 3.5 *Assignment Upon Termination.* In the event of termination of this Contract or associated Task Authorization by the CITY prior to the FIRM's satisfactory completion of all the services specified herein, the FIRM shall promptly furnish to the CITY, at no additional cost or expense, one copy of all work product which may have been produced up to and including the date of termination. Such work product includes, but is not limited to, data, specifications, calculations, estimates, plans, drawings, construction documents, photographs, summaries, reports, CD-ROM files, memoranda, and any and all other documents, instruments, information, and materials, in whole or in part, generated or prepared by the FIRM, or by any subcontractor of the FIRM, in rendering the services described herein. These materials, collectively referred to as the "Documents," shall become the sole property of the CITY. The CITY shall possess all rights associated with the Documents, regardless of their nature or relationship. The FIRM shall also require its subcontractor, if any, to agree in writing to be bound by the provisions of this subsection.
- 3.6 *Suspension of Performance.* The CITY reserves the right to suspend the FIRM's services under any Task Authorization. If the CITY suspends performance for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for its reasonable and demonstrable costs incurred during the suspension period.
- 3.7 *Non-Exclusive Contract.* The City Manager and/or the authorized representative of the CRA and/or the NORTHEAST CRA may issue requests for proposals for this professional discipline at any time and may utilize the services of any other firm(s) retained by the CITY under similar contracts. Nothing in this Contract shall be construed to give the FIRM a right to perform services for a specific project.

SECTION 4. ADDITIONAL SERVICES; CHANGES IN SCOPE OF SERVICES

- 4.1 *Change Order Defined.* A "Change Order" shall mean a written document executed by the CITY and the FIRM authorizing and directing a modification to a duly executed Task Authorization's scope of services, price, time, or any combination thereof. A Task Authorization shall only be modified by an executed Change Order or the issuance of a new Task Authorization.

- 4.2 *Effect of Executed Change Order.* A duly executed Change Order shall constitute conclusive evidence of the parties' mutual agreement to the specified changes to the Task Authorization. By executing the Change Order, the FIRM waives and forever releases any claim against the CITY for additional time or compensation related to or arising from the services included within or affected by the executed Change Order. The FIRM acknowledges and agrees that no claim for delay damages shall be asserted against the CITY, and hereby waives any right to pursue such claim.

SECTION 5. CITY'S RESPONSIBILITIES

- 5.1 The CITY shall assist the FIRM by providing the FIRM with available information that is pertinent to the Task Authorization, as may be requested in writing by the FIRM, and allow reasonable access to pertinent information relating to the services to be performed by the FIRM.
- 5.2 The CITY shall furnish to the FIRM, at the FIRM's written request, all available maps, plans, existing studies, reports, and other data in the CITY's possession that are pertinent to the services to be provided by the FIRM.
- 5.3 The CITY shall provide the FIRM access to CITY property as required for the FIRM to perform services under this Contract or any Task Authorization.

SECTION 6. FIRM'S RESPONSIBILITIES

- 6.1 Any and all drawings, studies, plans, specifications, or other contract documents prepared by the FIRM shall be accurate, coordinated, and adequate for the required services and shall comply with all applicable City of Mount Dora Codes, and local, state, and federal laws, rules, and regulations. The FIRM acknowledges and agrees that said applicable federal laws, rules, and regulations were included in the RFQ and are expressly incorporated into the terms and conditions of this Contract.
- 6.2 The FIRM agrees to obtain and maintain throughout the period of this Contract all such licenses as are required to do business in the State of Florida, the City of Mount Dora, and Lake County, Florida, including, but not limited to, all licenses required by the respective state boards and other governmental agencies responsible for regulating and licensing the professional services to be provided and performed by the FIRM pursuant to this Contract and any Task Authorization.
- 6.3 The FIRM shall perform any and all project services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession; that it is adequately financed to meet any financial obligations it may be required to incur hereunder; and that the designs, plans, drawings, specifications or other work product of the FIRM shall not call for the use of nor infringe on any patent, trademark, service mark, copyright or proprietary interest claimed or held by any person or business entity absent prior written consent from CITY.
- 6.4 The FIRM shall exercise the same degree of care, skill, and diligence in the performance of the services for each Task Authorization as any other similarly situated contractor possessing the degree of skill, knowledge, experience, and expertise, working on similar

activities or services required under this Contract. If at any time during the term of this Contract, the City determines, in its sole discretion, that the deliverables provided by the FIRM are incorrect, defective, or fail to conform to the scope of services of the applicable Task Authorization, whether by error or omission, the FIRM shall, upon written notification from the CITY, immediately correct the work and/or re-perform services that failed to satisfy the foregoing standard of care, and shall pay all costs and expenses associated with correcting said incorrect, defective, or nonconforming services, including, but not limited to, any additional testing and inspections. The CITY's rights and remedies under this section are in addition to, and are cumulative of, any and all other rights and remedies provided by this Contract or any Task Authorization, in equity or otherwise.

- 6.5 The FIRM shall comply with all laws, ordinances, and governmental rules, regulations, and order, now or at any time during the term of the Contract, which are applicable to, or which affect, the work performed under this Contract or any Task Authorization, or any procedures of the FIRM for such work.
- 6.6 The FIRM's obligations under this Contract section shall survive termination of this Contract or any Task Authorization.

SECTION 7. KEY EMPLOYEES

- 7.1 The FIRM agrees that, when services provided relate to a professional service which, under Florida Statutes, requires a license, certificate of authorization, or other form of legal entitlement to practice such services, it shall employ and/or retain only qualified personnel.
- 7.2 If applicable, each Task Authorization shall identify Key Employees assigned for the specific project, including, but not limited to, a designated point of contact, and, as applicable, Principal-In-Charge, Project Manager(s), and/or Project Engineer(s).

SECTION 8. SUBCONTRACTORS

- 8.1 In the event the FIRM requires the services of any subcontractor or other professional associates in connection with services covered by any Task Authorization, the FIRM must secure the prior written approval of the City Manager or the authorized representative of the CRA or the NORTHEAST CRA, as applicable. No reimbursement shall be made to the FIRM for any subcontractor that have not been previously approved by the CITY for use by the FIRM.
- 8.2 The FIRM shall coordinate the services and work product of any subcontractors and remain fully responsible under the terms of this Contract and any Task Authorizations. The FIRM shall be and remain responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, as applicable, and other services furnished by any subcontractor.
- 8.3 Any subcontractor shall be bound by the terms and conditions of this Contract and any Task Authorizations. The FIRM shall require all subcontractors, as a condition of employment, to execute an agreement for professional subcontractor services that i) incorporates the elements of this Contract and any Task Authorizations; ii) affords to the FIRM rights against the subcontractor which correspond to those rights afforded to the

CITY against the FIRM herein, including, but not limited to, those rights of termination as set forth herein; and iii) requires the subcontractor to assume performance of the FIRM's duties commensurately with FIRM's duties to the CITY under this Contract and any Task Authorizations, it being understood that nothing herein shall in any way relieve the FIRM from any of its duties under this Contract and any Task Authorization.

- 8.4 Each approved subcontractor performing work hereunder shall submit to the CITY a completed Human Trafficking Affidavit prior to commencing any work or services pursuant to this Contract.

SECTION 9. INDEPENDENT CONTRACTOR

- 9.1 The FIRM is an independent contractor under this Contract and any Task Authorization. Services provided by the FIRM shall be by employees of the FIRM and subject to supervision by the FIRM, and not as officers, employees, or agents of the CITY. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, purchasing policies, and other similar administrative procedures applicable to services rendered under this Contract or any Task Authorizations shall be those of the FIRM. The FIRM shall retain sole and absolute discretion in the judgment of the manner and means of carrying out the FIRM'S activities and responsibilities under this Contract and any Task Authorization.

SECTION 10. COMPENSATION

- 10.1 *Fee Schedule.* The CITY shall compensate the FIRM based on services rendered on an hourly basis, consistent with actual hours worked and the Fee Schedule, attached hereto as **Exhibit "C"** and incorporated herein by this reference. All applicable fees, payments, reimbursements, and costs paid to the FIRM shall be based on the Fee Schedule, as may be amended, which shall include the hourly rate for each member of the FIRM, including the position and/or title. All fees contained on the initial Fee Schedule shall remain in effect from the Contract's Anniversary Date through September 30, 2026.
- 10.2 *Task Authorization Quote.* Per each issued Task Authorization, the FIRM shall deliver to the CITY a quote, which is in full narrative form unless directed otherwise by the CITY. The FIRM's written quote shall include projected costs, which are based on the Fee Schedule as set forth in **Exhibit "C"**, and the project completion time. The FIRM shall complete appraisal reports based upon the issued Task Authorization.
- 10.3 *Reimbursed Costs.* The FIRM shall not be entitled to reimbursement from the CITY for time spent traveling to or from CITY meetings or any project site location(s), or any other incidental fees the FIRM may incur to provide the required services under this Contract or any Task Authorization. The CITY shall make the sole determination of what qualifies as an incidental expense. The CITY shall not remit a retainer or similar fee to the FIRM.
- 10.4 *Fee Adjustments.* Fees may be adjusted annually after September 30, 2026, with any adjustments becoming effective on October 1st of the applicable year, upon prior written notice provided by the FIRM and the CITY's written acceptance. If the FIRM chooses to do so, the FIRM may submit an annual request for a fee adjustment, no later than May 31st of each calendar year beginning in the year 2026, to the CITY's Purchasing Coordinator.

Any and all decisions regarding a fee adjustment request shall be solely within the CITY's discretion. If the FIRM fails to submit a fee adjustment request before or on May 31st of an eligible year, the FIRM forfeits the opportunity to request a fee adjustment for such year. The CITY will not consider fee adjustment requests submitted after the deadline.

- 10.5 *Invoices.* The CITY shall pay the FIRM for actual work performed in the previous month, as detailed in each of the FIRM's monthly invoices and in accordance with the Fee Schedule as provided in each Task Authorization. Each invoice submitted under this Contract must include the billing period, the name of the individual generating the charge, a detailed description of the actual work performed, including the locations of which were serviced and the service dates, the project or fund to be charged (as provided by City staff), the appropriate Task Authorization number, and any other information required by the CITY. Invoices that do not include all required information may be returned for correction and resubmission. As applicable, invoices for each phase shall not exceed amounts allocated to each phase of a project. Charges for reimbursable expenses and subcontractor services shall be without surcharge.
- 10.6 *Billing Address.* All invoices shall be submitted to the appropriate agency: City of Mount Dora, Mount Dora Community Redevelopment Agency, or the Northeast Community Redevelopment Agency; Attn: Accounts Payable, 510 N. Baker St., Mount Dora, FL 32757.
- 10.7 *Payment.* The CITY shall pay the FIRM in accordance with the Local Government Prompt Payment Act (§ 218.70 *et seq.*, *Florida Statutes*).
- 10.8 *Disputed Invoices.* The CITY's objection to the payment amount shall be accompanied by the CITY's remittance of any undisputed portion of the payment. If the objection is resolved in favor of the FIRM, then the CITY shall pay the FIRM the amount so determined, minus any compensation amount previously paid to the FIRM with respect to the objection. If it is determined that the CITY has overpaid the FIRM, then the FIRM shall, within thirty (30) calendar days, refund to the CITY the overpayment amount.
- 10.9 *Final Payment.* The acceptance by the FIRM, its successors, or assigns, of any final payment due upon the termination of this Contract or any Task Authorization, shall constitute a full and complete release of the CITY from any and all claims or demands regarding further compensation for authorized services rendered prior to such final payment that the FIRM, its successors, or assigns, have or may have against the CITY under the provisions of this Contract, unless otherwise previously and properly filed pursuant to the provisions of this Contract or in a court of competent jurisdiction. However, the CITY's acceptance of the FIRM's final invoice and any payment made in connection therewith shall not constitute a waiver of any rights or causes of action the CITY may have arising out of the FIRM's performance of services under this Contract. The CITY expressly reserves the right to pursue any claims or remedies available under this Contract or applicable law, notwithstanding the acceptance of the final invoice or payment. Final payment by the CITY shall be based on receipt and approval by the CITY of the final reports.

SECTION 11. NOTICES

- 13.1 Pursuant to § 119.0701, *Florida Statutes*, the FIRM agrees to:

13.1.1 Keep and maintain public records in the FIRM's possession or control in connection with the FIRM's performance of services under this Contract.

13.1.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost allowed by Chapter 119, *Florida Statutes*, or as otherwise provided by law.

13.2 Unless otherwise provided by law, any and all records, including, but not limited to, reports, surveys, and other data and documents provided or created in connection with this Contract are and shall remain the property of the CITY.

13.3 Any compensation due to the FIRM shall be withheld until all applicable records are received as provided herein. The FIRM's refusal to comply with the provisions of this section shall be grounds for immediate termination for cause of this Contract or any Task Authorization by the CITY.

SECTION 14. OWNERSHIP OF DOCUMENTS/DELIVERABLES

- 14.1 All finished or unfinished documents, including, but not limited to, detailed reports, studies, plans, drawings, surveys, maps, ideas, concepts, designs, sketches, models, photographs, specifications, digital files, and all other data or tangible work product prepared for the CITY or furnished by the FIRM or any its subcontractors pursuant to this Contract and any Task Authorization (hereinafter “Work Product”) shall become sole property of the CITY upon creation or delivery, regardless of whether the project for which they were created is completed. All Work Product shall be provided to the CITY in both hard copy and electronic formats. The FIRM shall deliver all Work Product to the CITY upon each project completion, unless provided otherwise by the CITY, in its sole discretion. If the CITY terminates this Contract or any Task Authorization, the FIRM shall deliver all Work Product to the CITY within five (5) calendar days of receiving written notice requesting delivery. In no event shall the FIRM use or permit the use of any Work Product without the CITY’s prior written authorization.
- 14.2 As applicable, all final plans and documents prepared by the FIRM shall bear the endorsement and seal of a person duly registered professional, as appropriate, in the State of Florida and date approved and/or sealed.
- 14.3 All subcontracts entered into by the FIRM for the preparation of reports, studies, plans, drawings, specifications, digital files, or other data pursuant to any Task Authorization shall contain provisions requiring that all such documents and rights obtained by virtue of such subcontracts shall become the property of the CITY.

Any use by the CITY of such materials in connection with a project or purpose other than that for which such materials were prepared, without the prior written consent of the FIRM, shall be at the CITY’s sole risk, and the FIRM shall have no responsibility or liability related thereto.

SECTION 15. INDEMNITY

- 15.1 The FIRM shall at all times hereafter indemnify and hold harmless, the CITY, the CRA, and/or the NORTHEAST CRA, and their officials and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys’ fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the FIRM, and/or its employees, agents, contractors or any other person utilized by the FIRM in the performance of this Contract.
- 15.2 Nothing herein shall be interpreted to constitute a waiver of sovereign immunity of the CITY, the CRA, and/or the NORTHEAST CRA, as set forth in § 768.28, *Florida Statutes*. The CITY, the CRA, and/or the NORTHEAST CRA’S liability hereunder, whether arising under statute, common law, tort or contract, shall be limited to Two Hundred Thousand Dollars (\$200,000.00) for any single claim and Three Hundred Thousand Dollars (\$300,000.00) for aggregate claims. The provisions and obligations of this section SHALL

NOT be limited by any required insurance coverage amounts and shall survive the termination or natural expiration this Contract.

SECTION 16. **INSURANCE**

- 16.1 The FIRM and its subcontractors of all tiers shall, at their sole cost and expense, procure and maintain throughout the term of this Contract and any Task Authorization insurance coverages with limits not less than those set forth in the RFQ, with insurers and under forms of policies satisfactory to the CITY. It shall be the responsibility of the FIRM to maintain the required insurance coverage and to ensure that subcontractors maintain required insurance coverages at all times. The FIRM's failure to maintain adequate coverage shall not relieve it of any contractual responsibility or obligation. The requirements specified herein as to types, limits, and the CITY's approval of insurance coverage to be maintained by the FIRM and its subcontractors are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the FIRM and its subcontractors under a contract. The FIRM acknowledges and agrees the insurance coverages procured by FIRM pursuant to this Contract shall be considered primary insurance over and above any other insurance or self-insurance available to the CITY, and that, notwithstanding any conflicting provision in the FIRM's policies to the contrary, any other insurance or self-insurance available to the CITY shall be considered secondary to, or in excess of, the insurance coverages procured by FIRM as required herein. Failure of the FIRM or its subcontractor to maintain insurance as specified herein or to otherwise comply with the provisions of this section shall be grounds for termination of this Contract.
- 16.2 Prior to commencing any services and/or work under this Contract, and as a condition precedent to the commencement of any services and/or work by the FIRM and any subcontractors, the FIRM and subcontractors shall furnish the CITY with certificates of insurance as evidence that policies providing the required coverage and limits of insurance are in full force and effect. The certificates shall provide that any company issuing an insurance policy for the work under a contract shall provide not less than thirty (30) days advance notice in writing to the CITY prior to cancellation, termination, or material change of any policy. In addition, the FIRM shall immediately provide written notice to the CITY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.
- 16.3 The CITY, the CRA, and the NORTHEAST CRA shall be listed as an Additional Insured by specific endorsement to the FIRM's policy. The CITY shall be named as the Certificate Holder and shall read as required by the CITY. The CITY reserves the right to change the insurance requirements depending upon the scope of work in a Task Authorization. Proof of insurance with the Additional Insured endorsement shall be provided to the CITY prior to commencing any work under any Task Authorization. Only the entity issuing the Task Authorization – the CITY, the CRA, or the NORTHEAST CRA – must be listed as an additional insured.

SECTION 17. NO CONTINGENT FEE; CONFLICT OF INTEREST

- 17.1 The FIRM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the FIRM, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the FIRM, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Contract. For a breach or violation of this section, the CITY shall have the right to terminate this Contract or any Task Authorization without liability and, at the CITY's discretion, deduct from the Contract price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.
- 17.2 The FIRM expressly represents that it presently has no interest and shall acquire no interest, either directly or indirectly, which would conflict in any manner with its performance of services as contemplated herein. The FIRM further represents that no person having any such interest shall be employed to perform the services.

SECTION 18. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY)

- 18.1 In accordance with § 448.095, *Florida Statutes*, the CITY requires all contractors and subcontractors doing business with the CITY to register with and use the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The FIRM hereby affirms that it is registered with and uses the E-Verify system to verify the work authorization status of all newly hired employees and shall continue to do so throughout the term of this Contract. Upon request, the FIRM shall provide evidence of such registration and compliance. The FIRM agrees to obtain from all subcontractors an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien, in accordance with § 448.095, *Florida Statutes*, as may be amended. The FIRM shall retain a copy of such affidavits for the duration of this Contract and provide copies to the CITY upon request. The FIRM acknowledges that failure to comply with this Section, including failure to secure and retain subcontractor affidavits, may result in termination of this Agreement and other penalties as provided by law.

SECTION 19. TRUTH-IN-NEGOTIATION

- 19.1 Execution of this Contract by the FIRM shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Contract, or any Task Authorization, are accurate, complete, and current at the time of contracting. The FIRM acknowledges and agrees that any project or Task Authorization price, and any additions thereto, shall be adjusted to exclude any significant sums by which the CITY determines that the price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such adjustments shall be made within one (1) year following the end of each Task Authorization.

SECTION 20. **NON-COLLUSION**

20.1 Execution of this Contract by the FIRM shall act as the execution of a non-collusion certificate stating that it has entered into no agreement to commit a fraudulent, deceitful, unlawful, or wrongful act, or any act that may result in unfair advantage for one or more Firms over other Firms. Conviction for the commission of any fraud or act of collusion in connection with any sale, quote, quotation, proposal, or other act incident to doing business with CITY may result in permanent debarment. No premiums, rebates, or gratuities are permitted, either with, prior to, or after any delivery of material or provision of services. Any such violation may result in award cancellation, return of materials, discontinuation of services, and removal from the Firm list(s), and/or debarment or suspension from doing business with the CITY.

SECTION 21. **DRUG-FREE WORKPLACE**

21.1 The FIRM hereby certifies that it complies with Florida’s Drug-Free Workplace Program as outlined in § 287.087, *Florida Statutes*. The FIRM agrees to maintain a drug-free workplace throughout the term of this Contract and will provide evidence of such compliance upon request by the CITY.

SECTION 22. **SCRUTINIZED COMPANIES**

22.1 In accordance with § 287.135, *Florida Statutes*, the FIRM certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is engaged in a boycott of Israel, nor is on the Scrutinized Companies that Boycott Israel List. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Section List, nor, to the extent not preempted by Federal law, has been engaging in business operations in Cuba or Syria. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or, to the extent not preempted by Federal law, is engaged in business operations in Cuba or Syria. In the event the FIRM, or any of its subsidiaries, parent companies, or affiliates, engages in a boycott of Israel, is placed on any of the above-described Scrutinized Companies Lists, or, to the extent not preempted by Federal law, engages in business operations in Cuba or Syria during the term of this Contract, then the FIRM shall immediately notify the CITY. The FIRM acknowledges that failure to comply with this Section, including any false certification, may subject the FIRM to civil penalties, termination of this Contract without regard for the notice provisions herein contained, and any other remedies available under the law.

SECTION 23. **PUBLIC ENTITY CRIME**

23.1 In accordance with § 287.133, *Florida Statutes*, no person or affiliate, as defined in therein, shall be allowed to contract with the CITY, nor be allowed to enter into a subcontract for work under this Contract, if such a person or affiliate has been placed on the convicted

vendor list following a conviction for a public entity crime within the preceding thirty-six (36) months. The FIRM hereby affirms that neither the FIRM nor any of the FIRM's affiliates or subcontractors are on the convicted vendor list. The FIRM shall notify the CITY immediately if the FIRM, or any affiliate or subcontractor, is placed on the convicted vendor list during the term of this Contract. The FIRM acknowledges that failure to comply with this section may result in termination of this Contract and other penalties as provided by law.

SECTION 24. HUMAN TRAFFICKING AFFIDAVIT

24.1 The FIRM hereby represents, warrants, and certifies that the FIRM does not use coercion for labor or services, as defined in § 787.06, *Florida Statutes*, and that the FIRM has provided to the CITY the Human Trafficking Affidavit, attached hereto as **Exhibit "D"**, and incorporated herein by reference.

SECTION 25. NON-DISCRIMINATION; FEDERAL WAGES

25.1 The FIRM, for itself, its delegates, successors-in-interest, and its assigns, and as a part of the consideration hereof, does hereby covenant and agree that i) in the furnishing of services to the CITY hereunder, no person shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in regard to this Contract on the grounds of such person's race, color, national origin, religion, sex, age, disability, sexual orientation, or marital status; and ii) the FIRM shall comply with all existing requirements concerning discrimination imposed by any and all applicable local, state, and federal rules, regulations, or guidelines, and they may be amended from time to time. In the event of a breach of any of the nondiscrimination covenants described in this section, the CITY shall have the right to terminate this Contract and any Task Authorizations for cause.

25.2 If any project is subject to federal and grant funding that requires specific wage and non-discrimination provisions, the FIRM shall be required to comply with the same.

SECTION 26. DISPUTE RESOLUTION; VENUE; WAIVER OF JURY TRIAL

26.1 In the event of any dispute, claim, or controversy arising out of or relating to this Contract or a Task Authorization, the parties agree to first attempt to resolve the matter through good faith negotiations. Any party may initiate the negotiation process by providing written notice to the other party, outlining the nature of the dispute. The parties shall use their best efforts to resolve the dispute within thirty (30) days of such notice. If these efforts are unsuccessful, the matter shall be submitted to a court of appropriate jurisdiction within Lake County, Florida. Said parties hereby consent to the jurisdiction of such court and **EXPRESSLY WAIVE THE RIGHT TO A JURY TRIAL.**

SECTION 27. GOVERNING LAW; SEVERABILITY

27.1 Notwithstanding any conflict of laws, this Contract and any Task Authorization issued pursuant to this Contract shall be construed in accordance with and governed by the laws of the State of Florida. In the event any provision hereof is determined to be unenforceable or invalid, such unenforceability or invalidity shall not affect the remaining provisions of

this Contract, which shall remain in full force and effect. To that extent, this Contract is deemed severable.

SECTION 28. **ASSIGNMENT**

28.1 This Contract and any Task Authorizations shall not be assigned, transferred, conveyed, or otherwise encumbered without the prior written consent of the CITY.

SECTION 29. **AMENDMENTS**

29.1 No modification, amendment, or alteration to the terms or conditions of this Contract, or any Task Authorization, shall be effective unless contained in a written document executed by the parties.

SECTION 30. **FORCE MAJEURE**

30.1 No party herein shall be liable for any failure or delay in the performance of its obligations under this Contract if such failure or delay is caused by or results from events beyond the reasonable control of the affected party, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, acts of nature, or any other cause beyond the reasonable control of the parties (each a “Force Majeure Event”). The party affected by a Force Majeure Event shall promptly notify the other party in writing of the occurrence of such event and shall use commercially reasonable efforts to resume performance as soon as possible.

SECTION 31. **EXHIBITS; CONFLICTS**

31.1 Each Exhibit referred to in this Contract forms an essential part of this Contract. Exhibits, if not physically attached, shall be treated as part of this Contract, and are incorporated by reference.

1) INTRODUCTION/OVERVIEW

A) Purpose/Objective

The City of Mount Dora Finance Department (herein after, "City") has issued this Request for Qualifications (hereinafter, "RFQ"), as a joint solicitation on behalf of the City, the Community Redevelopment Area (CRA) and the Northeast Community Redevelopment Area (Northeast CRA), with the sole purpose and intent of obtaining Qualifications from interested and qualified firms offering to provide **PROFESSIONAL CONSULTANT SERVICES** in accordance with the specifications stated and/or attached herein/hereto. The City anticipates award to up to three Consultants. The successful proposers will hereinafter be referred to interchangeably as the "Consultant, Firm, or Respondent".

As is more fully explained in Section "6L" of this RFQ, an award, if made, will be made to the best overall proposer(s) whose submittal is most advantageous to the City, taking into consideration the evaluation factors set forth in this RFQ. The City will not use any other factors or criteria in the evaluation of the bids received.

B) Background

D) Method of Source Selection

The City is using the Competitive Sealed Qualifications methodology of source selection for this procurement, as authorized by Resolution 2021-107 establishing and adopting the City Purchasing Policy. Each Qualification will be reviewed to determine if the Qualification is responsive to the **RFQ**. Qualifications deemed to be non-responsive may be rejected without being evaluated by the Evaluation Committee appointed by the city manager, which shall be comprised of a minimum of three (3) City employees. The committee will make a recommendation to the City Council who will make the final selection(s). A responsive Qualification is one which has been signed and submitted by the specified Qualification deadline, and has provided the information required to be submitted with the Qualification. Poor formatting, poor documentation, incomplete or unclear information may be considered substandard submissions and may adversely impact the evaluation of a Qualification. Respondents who fail to comply with the required and/or desired elements of this **RFQ** do so at their own risk.

The City may, as it deems necessary, conduct discussions with responsible proposers determined to be in contention for being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

The final recommendation will be decided based on review of scores and consensus of committee.

In general, the City wishes to avoid the expense to the City and to proposers of unnecessary oral interviews. Therefore, the City will make every reasonable effort to achieve the ranking using written submittals alone. If no single top-ranked firm can be clearly identified by review of the written submittals alone, then the evaluator(s) will request the Purchasing Coordinator to schedule the top ranked firm(s) for oral presentations/interviews.

The City reserves the right to withdraw this **RFQ** at any time and for any reason, and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.

Receipt of a Qualification submittal by the City or a submission of a submittal to the City offers no rights upon the Proposer nor obligates the City in any manner.

I) Requests for Clarification of Qualifications

Requests by the Purchasing Coordinator to a proposer(s) for clarification of Qualification(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive, and may be just cause to reject its Qualification.

1. Quality of the Interview: a) Interview was clear and concise; b) Questions were appropriately answered by Consultant.

If Presentations/Interview sessions are requested for shortlisted firms the following scoring process will apply:

A maximum of four (4) points can be assigned to each firms’ session. The points assigned will be multiplied by a weight of 2.5 to equal a maximum of 10 possible points for a final scoring.

After shortlisted Consultants have completed Presentation/Q&A sessions, the Evaluation Committee members will complete the Presentation/Q&A scoring forms with Purchasing totaling the forms. Scoring for this phase will NOT be combined with the previous phase. The score of each Evaluation Committee member will be tallied individually for each Consultant. Each Evaluation Committee members score will then be converted to a ranking number for each consultant with 1 being the highest ranked, 2 the second, and do on. A final ranking of the shortlisted consultants will be announced based on final ranking.

If held, the Presentation/Interview final scoring will determine the final ranking of shortlisted firms.

Tab III – Approach to the Engagement

We understand the City of Mount Dora Finance Department as a joint solicitation on behalf of the City, the Community Redevelopment Area, and the Northeast Community Redevelopment Area, is seeking professionals to provide appraisal services for land and real property, per RFQ# 24-CM-018. Cushman & Wakefield is prepared to provide *Real Property Appraiser Services* to the City of Mount Dora as described in the RFQ for Land and Real Property.

Our firm has a specialized Valuation & Advisory department with a dedicated Infrastructure Practice Group experienced in preparing valuation assignments for government entities of all sizes. We prepare reports in compliance with the Uniform Standards of Professional Appraisal Practice (USPAP), as well as other requested agency specific guidelines such as the Uniform Appraisal Standards for Federal Land Acquisitions (UASFLA aka Yellow Book Standards) and/or the Uniform Relocation Assistance and Real Property Acquisition Act (URA).

The complexity of our past assignments has ranged from uncomplicated to highly technical and those involving litigation and testimony. We are experienced in a vast range of valuation and advisory services including right of way appraisal and consulting, feasibility studies, highest and best use studies, market analysis, and other advisory services. We are well-versed in all common property types, as well as a variety of specialty property types, right-of-way, and acquisition assignments.

Collaboration is key to our project team's performance and ensures efficiency and success in achieving objectives. When contracts are awarded, our administrative staff and research team sets up work files and sort information from clients to begin initial tax and GIS research on subject properties. Appraisers make contact and discuss the project with client and property owners, as applicable. We perform property research, such as verifying zoning and taxes and tracking comparable properties.

This comprehensive approach to valuation and advisory ensures services are in compliance with applicable laws and regulations. Our process also ensures that inspections are scheduled and conducted in a timely manner. Our dedicated research team guarantees background information is handled appropriately, such as investigating zoning, parcel history, and existence of encumbrances. Our appraisal team is also experienced in researching comparable sales, highest and best use analysis, and determining a final opinion of value.

Our team works cohesively to ensure we meet agreed upon deadlines with high-quality reports.

The Cushman & Wakefield appraisal team conducts valuation and consultation services relating to federal, state, local, and tribal government entities. Our team is experienced with an array of asset types unique to these government bodies. Past assignments include national laboratory campuses, military properties, and veterans’ administration campuses. Right-of-way assignments include total acquisitions as well as partial acquisitions. Assignment types include:

- | | |
|---------------------------------------|------------------------------|
| • Acquisitions | Feasibility Studies |
| • Partial acquisitions | Highest and Best Use Studies |
| • Litigation preparation | Advisory services |
| • Expert witness testimony | Pre-disposal redevelopment |
| • Land exchanges and asset monitoring | planning/positioning |

Cushman & Wakefield takes pride in providing services to government clients. Assisting federal, state, and local governments with their real estate valuation and strategy needs is something we have done consistently over our history. Over the past decade, we have had provided valuation and advisory services to a vast number of government authorities.

A sampling of our team’s projects and clientele include:

- A multi-billion dollar FGT project from 2008 through approximately 2014 worked on by Barry A. Diskin, Ph.D., MAI, AI-GRS. The project included 240 miles of easements across North Florida (Escambia to Lafayette Counties). We prevailed at each order-of-taking hearing; some were particularly contentious. Brian Bolves at 813.789.8118 was the lead attorney for the majority of those cases and can provide input about Dr. Diskin's courtroom abilities.
- Litigation of FPL Turkey Point Units 6&7 Project- Site Certification Hearing – Dr. Diskin testified for the condemning authority (FPL) in a Florida Department of Administrative Hearings event on October 1, 2013. Dr. Diskin's testimony addressed issues dealing with property valuation procedure and a value estimate for a route in the Florida Everglades. Governor Scott and the Cabinet made the ultimate decision in favor of FPL. The lawyers include Carolyn Raeppe who represented FPL. She can be reached at 850.566.7612.
- A 200 parcel appraisal report assignment located in Craven County, NC, and consisting of reports completed between April 2019 and April 2021. The design-build project

generally consisted of upgrading US 70 along its existing alignment to a controlled-access highway in compliance with interstate standards. The project was to provide a six-lane divided facility, with a 22-foot median, as well as a four-lane divided facility, with a 46-foot median. The project also included conversion of at-grade intersections to grade-separated interchanges at US 70 intersections, and two-way access roads on both sides of US 70 to connect existing service roads and maintain access to side street and abutting properties. Contact for this project is Matt Starling of ORC Real Estate Solutions for Infrastructure (704.944.1394).

Our professional expertise is in appraisal and appraisal consultation services across all property types. We are also well-versed in a variety of specialized properties and property types. Our experience includes:

Multifamily	State and federally owned properties
Office	Transmission line corridors
Retail	High pressure gas lines
Industrial	High tension power lines
Land	Airports and hangars
Self-storage facilities	Gravel pits
Railroad corridors	Batture land

Greenways and other corridors	Auto racing track
Convenience stores	Religious and event centers
Pipelines	Campgrounds and RV parks
Floodways	Boat and RV storage facilities

We understand this project is for land and real property appraisal services. We have a team comprised of uniquely qualified professionals experienced in a vast range of property types. Our team is highly skilled in valuation and appraisal reporting, consulting, feasibility studies, highest and best use studies, and advisory services.

This team is accustomed to handling large projects. In addition to experience noted elsewhere in this proposal, they have previously been responsible for a 240-mile project for Florida Gas Transmission, about 1,500 parcels, and never missed a deadline.

In addition to the team of appraisers, our firm has a dedicated research team to assist in identification of subject properties and gathering basic information on each property assignment in order to maximize time and efficiency. This allows us the capacity to take on single-parcel on-call assignments or multi-parcel assignments at any time.

3. I understand that "convicted" or "conviction" as defined in Florida Statutes, Section 287.133(1)(b), means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
5. I understand that a "person" as defined in Florida Statutes, Section 287.133(1)(e), means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CITY OF MOUNT DORA IS FOR THE CITY OF MOUNT DORA ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

- **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

- **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

- **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

- **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

- **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. W I T N E S S E T H :

WHEREAS, the CITY, the CRA, and the NORTHEAST CRA (collectively hereinafter referred to as the “CITY”, unless expressly stated otherwise) have determined that there is a need for professional services related to appraisal services of land and real property; and

WHEREAS, on September 12, 2024, the CITY, the CRA, and the NORTHEAST CRA issued a joint Request for Qualification #24-CM-018 (the “RFQ”), attached hereto as **Exhibit “A”** and incorporated herein by reference, seeking qualified firms to provide the required appraisal services of land and real property; and

WHEREAS, the FIRM’s submitted response, attached hereto as **Exhibit “B”** and incorporated herein by reference, was evaluated and determined by the CITY to be one of the most advantageous, based on qualifications, experience, and ability to perform the required services; and

WHEREAS, on October 29, 2024, the CITY, including the CRA and the NORTHEAST CRA, selected the FIRM to perform the professional services hereunder, and the parties thereafter entered into competitive negotiations; and

WHEREAS, the CITY desires to engage the FIRM on a continuing basis to provide the necessary professional services as required, and the FIRM is willing to provide such services under the terms and conditions set forth herein; and

WHEREAS, as part of contract negotiations subsequent to the award, the FIRM provided a November 6, 2024 alternative rate proposal based on a lump sum fee quote that is dependent upon the appraisal scope of services, attached hereto as **Exhibit “C,”** which was also included in the FIRM’s response, **Exhibit B** at page 16; and

WHEREAS, the CITY finds the rate proposal based on a lump sum fee acceptable; and

WHEREAS, the FIRM agrees that this Contract shall not guarantee any specific project or amount of work to the FIRM, but rather will provide a mechanism for the CITY, the CRA, and/or the NORTHEAST CRA to obtain professional services as needed during the term of the contract; and

WHEREAS, the CITY, the CRA, and/or the NORTHEAST CRA may issue specific task authorizations or task orders pursuant to this Contract, which shall define the scope of work and schedule for each individual project (“Task Authorization”); and

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties hereto agree as follows:

SECTION 1. RECITALS

- 1.1 The foregoing recitals are true and correct and are incorporated herein by this reference.

SECTION 2. TASK AUTHORIZATIONS; SCOPE OF SERVICES

- 2.1 The CITY, the CRA, and/or the NORTHEAST CRA shall, from time to time at its sole discretion, authorize the FIRM in writing to provide professional services, as defined in the RFQ, by means of a Task Authorization under the terms of this Contract. The services shall be for the types of projects or similar disciplines set forth in the RFQ, and as more particularly described in the Task Authorization. The FIRM shall perform any and all services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession and the RFQ.
- 2.2 The CITY and the FIRM shall utilize a standard CITY Task Authorization form, which may be amended from time to time, for any and all professional services, which will set forth the following, as applicable:
 - 2.2.1 Scope of Services
 - 2.2.2 Deliverables (e.g. specifications, etc.)
 - 2.2.3 Time and schedule of performance
 - 2.2.4 FIRM’s Task Authorization Quote
 - 2.2.5 Project personnel, including the FIRM’s Key Employees and any subcontractors assigned to the Task Authorization
 - 2.2.6 Any additional federal, state, or local requirements.
- 2.3 The FIRM shall commence the performance of professional services within three (3) business days of the execution of the applicable Task Authorization, unless otherwise specified in the Task Authorization. Any services rendered by the FIRM prior to the execution of a Task Authorization shall be at the FIRM’s sole risk. Time is of the essence with respect to this Contract and any Task Authorization issued thereof.
- 2.4 The FIRM shall submit to the CITY all final deliverables within the contract time as noted in the Task Authorization and associated FIRM Proposal.
- 2.5 The CITY reserves the right, in its sole discretion, to suspend the methods of equitable distribution of projects, if any, for any FIRM that has not performed to the CITY’s expectations. If the CITY, in its sole discretion, is dissatisfied with current or past work of the FIRM’s, the CITY may select another qualified firm.

- 2.6 Each Task Authorization shall be deemed to incorporate the terms and conditions of this Contract by reference. If any of the terms or conditions of this Contract conflict with the Task Authorization, the provisions of the Task Authorization shall apply.

SECTION 3. TERM/TERMINATION/SUSPENSION

- 3.1 *Term.* This Contract shall have an initial term of three (3) years commencing on the date the last party executes this Contract. Thereafter, this Contract, by mutual agreement and funding availability, shall automatically renew for two (2) consecutive one-year (1) renewal periods unless a party provides written notice of non-renewal to the other party at least one hundred twenty (120) days prior to the renewal date (“Agreement Anniversary Date”). A Task Authorization shall specify the agreed-upon timeframe within which the FIRM shall provide the specified services. Any Task Authorization executed prior to the natural expiration of this Contract that extends beyond the expiration date shall remain subject to the terms and conditions herein as if this Contract were still in effect.
- 3.2 *Termination For Convenience.* The CITY reserves the right to terminate this Contract at any time, for convenience, upon thirty (30) days’ written notice to the FIRM. Upon receipt of such termination notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. If the CITY terminates the Contract for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for work completed to the CITY’s satisfaction, up to the date of the termination notice. Such compensation shall be limited to the FIRM’s reasonable, documented costs incurred during the performance of the Contract. The CITY shall not be obligated to pay any profit for services that have not been rendered.
- 3.3 *Fund Availability.* The services to be performed under this Contract are subject to the annual appropriation of funds by the CITY. In its sole discretion, the CITY reserves the right to forgo use of the FIRM for any work which may fall within the Scope of Services contemplated herein. If funds are not appropriated for the continuance of a Task Authorization to completion, cancellation will be accepted by the FIRM upon thirty (30) days’ written notice from the CITY. Upon receipt of such notice, the FIRM shall immediately cease work on all Task Authorizations issued under this Contract. This clause includes any statutory amendments made by general law which prohibit or limit the use of CRA and NORTHEAST CRA funds for projects.
- 3.4 *Termination For Cause.*
- 3.4.1 This Contract may be terminated by the CITY immediately for cause if the FIRM is found to have failed to perform in a manner satisfactory to the CITY. In the event of the termination of this Contract, any liability of one party to the other arising out of any services rendered, or any act or event occurring prior to the termination, shall not be terminated or released.
- 3.4.2 If the FIRM abandons this Contract or the CITY terminates the Contract for cause, the FIRM shall indemnify the CITY for any losses incurred as a result of such termination. This indemnification obligation is in addition to, and shall not limit,

the general indemnification provisions set forth in this Contract. In the event the CITY terminates this Contract for cause, and a court of competent jurisdiction subsequently determines that such termination was without cause, the termination shall be deemed a termination for convenience pursuant to the terms of this Contract.

- 3.4.3 In addition to any other termination provisions that may be provided in this Contract, the CITY may terminate this Contract, in whole or in part, if the FIRM makes a willfully false project quote or substantially fails to perform any obligation under this Contract and does not remedy the failure within thirty (30) calendar days after receiving written notice from the CITY to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the FIRM shall have such time as is reasonably necessary to remedy the failure, provided the FIRM promptly takes and diligently pursues such actions as are necessary therefor. The FIRM may terminate this Contract if the CITY substantially fails to perform any obligation under this Contract, and does not remedy the failure within thirty (30) calendar days after receipt by the CITY of written notice from the FIRM to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within thirty (30) calendar days, in which case the CITY shall have such time as is reasonably necessary to remedy the failure, provided it promptly takes and diligently pursues such actions as are necessary therefor.
- 3.5 *Assignment Upon Termination.* In the event of termination of this Contract or associated Task Authorization by the CITY prior to the FIRM's satisfactory completion of all the services specified herein, the FIRM shall promptly furnish to the CITY, at no additional cost or expense, one copy of all work product which may have been produced up to and including the date of termination. Such work product includes, but is not limited to, data, specifications, calculations, estimates, plans, drawings, construction documents, photographs, summaries, reports, CD-ROM files, memoranda, and any and all other documents, instruments, information, and materials, in whole or in part, generated or prepared by the FIRM, or by any subcontractor of the FIRM, in rendering the services described herein. These materials, collectively referred to as the "Documents," shall become the sole property of the CITY. The CITY shall possess all rights associated with the Documents, regardless of their nature or relationship. The FIRM shall also require its subcontractor, if any, to agree in writing to be bound by the provisions of this subsection.
- 3.6 *Suspension of Performance.* The CITY reserves the right to suspend the FIRM's services under any Task Authorization. If the CITY suspends performance for reasons not attributable to the FIRM, the CITY shall compensate the FIRM for its reasonable and demonstrable costs incurred during the suspension period.
- 3.7 *Non-Exclusive Contract.* The City Manager and/or the authorized representative of the CRA and/or the NORTHEAST CRA may issue requests for proposals for this professional discipline at any time and may utilize the services of any other firm(s) retained by the CITY

under similar contracts. Nothing in this Contract shall be construed to give the FIRM a right to perform services for a specific project.

SECTION 4. ADDITIONAL SERVICES; CHANGES IN SCOPE OF SERVICES

- 4.1 *Change Order Defined.* A “Change Order” shall mean a written document executed by the CITY and the FIRM authorizing and directing a modification to a duly executed Task Authorization’s scope of services, price, time, or any combination thereof. A Task Authorization shall only be modified by an executed Change Order or the issuance of a new Task Authorization.
- 4.2 *Effect of Executed Change Order.* A duly executed Change Order shall constitute conclusive evidence of the parties’ mutual agreement to the specified changes to the Task Authorization. By executing the Change Order, the FIRM waives and forever releases any claim against the CITY for additional time or compensation related to or arising from the services included within or affected by the executed Change Order. The FIRM acknowledges and agrees that no claim for delay damages shall be asserted against the CITY, and hereby waives any right to pursue such claim.

SECTION 5. CITY’S RESPONSIBILITIES

- 5.1 The CITY shall assist the FIRM by providing the FIRM with available information that is pertinent to the Task Authorization, as may be requested in writing by the FIRM, and allow reasonable access to pertinent information relating to the services to be performed by the FIRM.
- 5.2 The CITY shall furnish to the FIRM, at the FIRM’s written request, all available maps, plans, existing studies, reports, and other data in the CITY’s possession that are pertinent to the services to be provided by the FIRM.
- 5.3 The CITY shall provide the FIRM access to CITY property as required for the FIRM to perform services under this Contract or any Task Authorization.

SECTION 6. FIRM’S RESPONSIBILITIES

- 6.1 Any and all drawings, studies, plans, specifications, or other contract documents prepared by the FIRM shall be accurate, coordinated, and adequate for the required services and shall comply with all applicable City of Mount Dora Codes, and local, state, and federal laws, rules, and regulations. The FIRM acknowledges and agrees that said applicable federal laws, rules, and regulations were included in the RFQ and are expressly incorporated into the terms and conditions of this Contract.
- 6.2 The FIRM agrees to obtain and maintain throughout the period of this Contract all such licenses as are required to do business in the State of Florida, the City of Mount Dora, and Lake County, Florida, including, but not limited to, all licenses required by the respective state boards and other governmental agencies responsible for regulating and licensing the professional services to be provided and performed by the FIRM pursuant to this Contract and any Task Authorization.

- 6.3 The FIRM shall perform any and all project services in a timely, efficient, and cost-effective manner and in accordance with the generally accepted standards of its profession; that it is adequately financed to meet any financial obligations it may be required to incur hereunder; and that the designs, plans, drawings, specifications or other work product of the FIRM shall not call for the use of nor infringe on any patent, trademark, service mark, copyright or proprietary interest claimed or held by any person or business entity absent prior written consent from CITY.
- 6.4 The FIRM shall exercise the same degree of care, skill, and diligence in the performance of the services for each Task Authorization as any other similarly situated contractor possessing the degree of skill, knowledge, experience, and expertise, working on similar activities or services required under this Contract. If at any time during the term of this Contract, the City determines, in its sole discretion, that the deliverables provided by the FIRM are incorrect, defective, or fail to conform to the scope of services of the applicable Task Authorization, whether by error or omission, the FIRM shall, upon written notification from the CITY, immediately correct the work and/or, re-perform services that failed to satisfy the foregoing standard of care, and shall pay all costs and expenses associated with correcting said incorrect, defective, or nonconforming services, including but not limited to any additional testing and inspections. The CITY's rights and remedies under this section are in addition to, and are cumulative of, any and all other rights and remedies provided by this Contract or any Task Authorization, in equity or otherwise.
- 6.5 The FIRM shall comply with all laws, ordinances, and governmental rules, regulations, and order, now or at any time during the term of the Contract, which are applicable to, or which affect, the work performed under this Contract or any Task Authorization, or any procedures of the FIRM for such work.
- 6.6 The FIRM's obligations under this Contract section shall survive termination of this Contract or any Task Authorization.

SECTION 7. KEY EMPLOYEES

- 7.1 The FIRM agrees that, when services provided relate to a professional service which, under Florida Statutes, requires a license, certificate of authorization or other form of legal entitlement to practice such services, it shall employ and/or retain only qualified personnel.
- 7.2 If applicable, each Task Authorization shall identify Key Employees assigned for the specific project, including, but not limited to, a designated point of contact, and, as applicable, Principal-In-Charge, Project Manager(s), and/or Project Engineer(s).

SECTION 8. SUBCONTRACTORS

- 8.1 In the event the FIRM requires the services of any subcontractor or other professional associates in connection with services covered by any Task Authorization, the FIRM must secure the prior written approval of the City Manager or the authorized representative of the CRA or the NORTHEAST CRA, as applicable. No reimbursement shall be made to the FIRM for any subcontractor that have not been previously approved by the CITY for use by the FIRM.

- 8.2 The FIRM shall coordinate the services and work product of any subcontractors and remain fully responsible under the terms of this Contract and any Task Authorizations. The FIRM shall be and remain responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, as applicable, and other services furnished by any subcontractor.
- 8.3 Any subcontractor shall be bound by the terms and conditions of this Contract and any Task Authorizations. The FIRM shall require all subcontractors, as a condition of employment, to execute an agreement for professional subcontractor services that i) incorporates the elements of this Contract and any Task Authorizations; ii) affords to the FIRM rights against the subcontractor which correspond to those rights afforded to the CITY against the FIRM herein, including, but not limited to, those rights of termination as set forth herein; and iii) requires the subcontractor to assume performance of the FIRM's duties commensurately with FIRM's duties to the CITY under this Contract and any Task Authorizations, it being understood that nothing herein shall in any way relieve the FIRM from any of its duties under this Contract and any Task Authorization.
- 8.4 Each approved subcontractor performing work hereunder shall submit to the CITY a completed Human Trafficking Affidavit prior to commencing any work or services pursuant to this Contract.

SECTION 9. INDEPENDENT CONTRACTOR

- 9.1 The FIRM is an independent contractor under this Contract and any Task Authorization. Services provided by the FIRM shall be by employees of the FIRM and subject to supervision by the FIRM, and not as officers, employees, or agents of the CITY. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, purchasing policies, and other similar administrative procedures applicable to services rendered under this Contract or any Task Authorizations shall be those of the FIRM. The FIRM shall retain sole and absolute discretion in the judgment of the manner and means of carrying out the FIRM'S activities and responsibilities under this Contract and any Task Authorization.

SECTION 10. COMPENSATION

- 10.1 *Fee Schedule.* The CITY shall compensate the FIRM based on services rendered through a lump sum fee quote that is dependent on the particular scope of services/appraiser assignment requested by the City, and dependent upon identification of the valuation analysis that will be necessary to provide a thorough and well-supported appraisal report. Under USAP (Uniform Standards of Professional Appraisal Practice), the FIRM is to first determine the appropriate scope of services before identifying the fee to ensure that the CITY receives an appraisal report that is going to satisfy the CITY's needs. Attached hereto as **Exhibit "C"** is the explanation for the lump sum fee quote which modifies the language in the RFQ at Section 4. D. in **Exhibit "A."** (See Section 31.2 hereto regarding conflicts). While the FIRM's hourly rate for appraisal services is \$200.00, each appraisal assignment issued through a Task Authorization shall be bid by the FIRM as a lump sum fee that is dependent upon the appraisal scope of services which are identified as being applicable.

- 10.2 *Task Authorization Quote.* Per each issued Task Authorization, the FIRM shall deliver to the CITY a lump sum fee quote, which is in full narrative form unless directed otherwise by the CITY. The FIRM's written lump sum fee quote shall include projected costs consistent with Section 10.1 and Exhibit "C," and the project completion time. The FIRM shall complete appraisal reports based upon the issued Task Authorization.
- 10.3 *No Incidental Fee/Cost Reimbursement.* The FIRM shall not be entitled to reimbursement from the CITY for any incidental fees the FIRM may incur to provide the required services under this Contract or any Task Authorization. The CITY shall make the sole determination of what qualifies as an incidental fee or cost. The CITY shall not remit a retainer or similar fee to the FIRM for incidental fees or costs. It is understood that travel time to inspect a subject property and comparable sale/rental properties is inherent in a lump sum fee quote and is not considered incidental fees or costs.
- 10.4 *Fee Adjustments.* Fees, such as the firm's hourly rate, may be adjusted annually after September 30, 2026, with any adjustments becoming effective on October 1st of the applicable year, upon prior written notice provided by the FIRM and the CITY's written acceptance. If the FIRM chooses to do so, the FIRM may submit an annual request for a fee adjustment, no later than May 31st of each calendar year beginning in the year 2026, to the CITY's Purchasing Coordinator. Any and all decisions regarding a fee adjustment request shall be solely within the CITY's discretion. If the FIRM fails to submit a fee adjustment request before or on May 31st of an eligible year, the FIRM forfeits the opportunity to request a fee adjustment for such year. The CITY will not consider fee adjustment requests submitted after the deadline.
- 10.5 *Invoices.* The CITY shall pay the FIRM for invoices received after the appraisal report has been submitted to the CITY.
- 10.6 *Billing Address.* All invoices shall be submitted to the appropriate agency: City of Mount Dora, Mount Dora Community Redevelopment Agency, or the Northeast Community Redevelopment Agency; Attn: Accounts Payable, 510 N. Baker St., Mount Dora, FL 32757.
- 10.7 *Payment.* The CITY shall pay the FIRM in accordance with the Local Government Prompt Payment Act (§ 218.70 *et seq.*, *Florida Statutes*).
- 10.8 *Disputed Invoices.* The CITY's objection to the payment amount shall be accompanied by the CITY's remittance of any undisputed portion of the payment. If the objection is resolved in favor of the FIRM, then the CITY shall pay the FIRM the amount so determined, minus any compensation amount previously paid to the FIRM with respect to the objection. If it is determined that the CITY has overpaid the FIRM, then the FIRM shall, within thirty (30) calendar days, refund to the CITY the overpayment amount.
- 10.9 *Final Payment.* The acceptance by the FIRM, its successors, or assigns, of any final payment due upon the termination of this Contract or any Task Authorization, shall constitute a full and complete release of the CITY from any and all claims or demands regarding further compensation for authorized services rendered prior to such final payment that the FIRM, its successors, or assigns, have or may have against the CITY

under the provisions of this Contract, unless otherwise previously and properly filed pursuant to the provisions of this Contract or in a court of competent jurisdiction. However, the CITY's acceptance of the FIRM's final invoice and any payment made in connection therewith shall not constitute a waiver of any rights or causes of action the CITY may have arising out of the FIRM's performance of services under this Contract. The CITY expressly reserves the right to pursue any claims or remedies available under this Contract or applicable law, notwithstanding the acceptance of the final invoice or payment. Final payment by the CITY shall be based on receipt and approval by the CITY of the final reports.

SECTION 12. RECORDS/AUDITS

12.1 Throughout the term of this Contract, the FIRM shall maintain, and require subcontractors to maintain, complete and correct records, books, documents, papers, and accounts of all activities related to this Contract and any Task Authorization issued thereunder (the "Records"). Such Records shall be available at all reasonable times for examination and audit by the CITY, or any authorized CITY representative, upon reasonable notice and shall be maintained for the longer of i) five (5) years following final payment; ii) five (5) years

following termination of any Task Authorization; or iii) the conclusion of all audits and litigation (including all appeals) related to this Contract, any Task Authorizations, or any project which was the subject of a Task Authorization pursuant to this Contract.

- 12.2 The CITY or its authorized agent shall have the right to inspect the FIRM's files, subject to the CITY's reasonable prior notice thereof, to determine the status of any and all work of projects assigned pursuant to a Task Authorization or as provided under this Contract.
- 12.3 Incomplete or incorrect entries in any Records shall be grounds for disallowance by or reimbursement to the CITY of any fees or expenses based upon such entries. Disallowed fees will be paid when incomplete or incorrect entries are remedied to the satisfaction of the CITY.
- 12.4 The FIRM's refusal to comply with the provisions of this section shall be grounds for termination for cause of this Contract or any Task Authorization by the CITY.

SECTION 13. PUBLIC RECORDS

- 13.1 Pursuant to § 119.0701, *Florida Statutes*, the FIRM agrees to:
 - 13.1.1 Keep and maintain public records in the FIRM's possession or control in connection with the FIRM's performance of services under this Contract.
 - 13.1.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost allowed by Chapter 119, *Florida Statutes*, or as otherwise provided by law.
 - 13.1.3 Ensure that any public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law, for the duration of the Contract term, and following completion of this Contract until the records are transferred to the CITY.
 - 13.1.4 Upon the termination or natural expiration of this Contract, either transfer, at no cost to the CITY, all public records in the FIRM's possession or keep and maintain the public records in accordance with all applicable requirements for retaining public records. In the event of transfer, the FIRM shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements.
 - 13.1.5 All records stored electronically must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the CITY's information technology systems.
 - 13.1.6 **IF THE FIRM HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS: (352) 735-7126; CLERK@MOUNTDORA.GOV; 510 N. BAKER STREET, MOUNT DORA, FLORIDA 32757.**

- 13.2 Unless otherwise provided by law, any and all records, including, but not limited to, reports, surveys, and other data and documents provided or created in connection with this Contract are and shall remain the property of the CITY.
- 13.3 Any compensation due to the FIRM shall be withheld until all applicable records are received as provided herein. The FIRM's refusal to comply with the provisions of this section shall be grounds for immediate termination for cause of this Contract or any Task Authorization by the CITY.

SECTION 14. OWNERSHIP OF DOCUMENTS/DELIVERABLES

- 14.1 All finished or unfinished documents, including, but not limited to, appraisal reports, studies, plans, drawings, surveys, maps, ideas, concepts, designs, sketches, models, photographs, specifications, digital files, and all other data or tangible work product prepared for the CITY or furnished by the FIRM or any its subcontractors pursuant to this Contract and any Task Authorization (hereinafter "Work Product") shall become sole property of the CITY upon creation or delivery, regardless of whether the project for which they were created is completed. All Work Product, including appraisal reports shall be provided to the CITY in electronic format, unless hard copy format is requested in writing. The FIRM shall deliver all Work Product to the CITY upon each project completion, unless provided otherwise by the CITY, in its sole discretion. If the CITY terminates this Contract or any Task Authorization, the FIRM shall deliver all Work Product to the CITY within five (5) calendar days of receiving written notice requesting delivery. In no event shall the FIRM use or permit the use of any Work Product without the CITY's prior written authorization.
- 14.2 As applicable, all final plans and documents prepared by the FIRM shall bear the endorsement and seal of a person duly registered professional, as appropriate, in the State of Florida and date approved and/or sealed.
- 14.3 All subcontracts entered into by the FIRM for the preparation of reports, studies, plans, drawings, specifications, digital files, or other data pursuant to any Task Authorization shall contain provisions requiring that all such documents and rights obtained by virtue of such subcontracts shall become the property of the CITY.
- 14.4 The CITY acknowledges that the Work Product described herein is not intended for use in connection with any project or purpose other than the project and purpose for which the materials are prepared. Any use by the CITY of such materials in connection with a project or purpose other than that for which such materials were prepared, without the prior written consent of the FIRM, shall be at the CITY's sole risk, and the FIRM shall have no responsibility or liability related thereto.

SECTION 15. INDEMNITY

- 15.1 The FIRM shall at all times hereafter indemnify and hold harmless, the CITY, the CRA, and/or the NORTHEAST CRA, and their officials and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent

caused by the negligence, recklessness, or intentionally wrongful conduct of the FIRM, and/or its employees, agents, contractors or any other person utilized by the FIRM in the performance of this Contract.

- 15.2 Nothing herein shall be interpreted to constitute a waiver of sovereign immunity of the CITY, the CRA, and/or the NORTHEAST CRA, as set forth in § 768.28, *Florida Statutes*. The CITY, the CRA, and/or the NORTHEAST CRA'S liability hereunder, whether arising under statute, common law, tort or contract, shall be limited to Two Hundred Thousand Dollars (\$200,000.00) for any single claim and Three Hundred Thousand Dollars (\$300,000.00) for aggregate claims. The provisions and obligations of this section SHALL NOT be limited by any required insurance coverage amounts and shall survive the termination or natural expiration this Contract.

SECTION 16. INSURANCE

- 16.1 The FIRM and its subcontractors of all tiers shall, at their sole cost and expense, procure and maintain throughout the term of this Contract and any Task Authorization insurance coverages with limits not less than those set forth in the RFQ, with insurers and under forms of policies satisfactory to the CITY. It shall be the responsibility of the FIRM to maintain the required insurance coverage and to ensure that subcontractors maintain required insurance coverages at all times. The FIRM's failure to maintain adequate coverage shall not relieve it of any contractual responsibility or obligation. The requirements specified herein as to types, limits, and the CITY's approval of insurance coverage to be maintained by the FIRM and its subcontractors are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the FIRM and its subcontractors under a contract. The FIRM acknowledges and agrees the insurance coverages procured by FIRM pursuant to this Contract shall be considered primary insurance over and above any other insurance or self-insurance available to the CITY, and that, notwithstanding any conflicting provision in the FIRM's policies to the contrary, any other insurance or self-insurance available to the CITY shall be considered secondary to, or in excess of, the insurance coverages procured by FIRM as required herein. Failure of the FIRM or its subcontractor to maintain insurance as specified herein or to otherwise comply with the provisions of this section shall be grounds for termination of this Contract.
- 16.2 Prior to commencing any services and/or work under this Contract, and as a condition precedent to the commencement of any services and/or work by the FIRM and any subcontractors, the FIRM and subcontractors shall furnish the CITY with certificates of insurance as evidence that policies providing the required coverage and limits of insurance are in full force and effect. The certificates shall provide that any company issuing an insurance policy for the work under a contract shall provide not less than thirty (30) days advance notice in writing to the CITY prior to cancellation, termination, or material change of any policy. In addition, the FIRM shall immediately provide written notice to the CITY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.
- 16.3 The CITY, the CRA, and the NORTHEAST CRA shall be listed as an Additional Insured by specific endorsement to the FIRM's policy. The CITY shall be named as the Certificate

Holder and shall read as required by the CITY. The CITY reserves the right to change the insurance requirements depending upon the scope of work in a Task Authorization. Proof of insurance with the Additional Insured endorsement shall be provided to the CITY prior to commencing any work under any Task Authorization. Only the entity issuing the Task Authorization – the CITY, the CRA, or the NORTHEAST CRA – must be listed as an additional insured.

SECTION 17. NO CONTINGENT FEE; CONFLICT OF INTEREST

- 17.1 The FIRM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the FIRM, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the FIRM, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Contract. For a breach or violation of this section, the CITY shall have the right to terminate this Contract or any Task Authorization without liability and, at the CITY’s discretion, deduct from the Contract price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.
- 17.2 The FIRM expressly represents that it presently has no interest and shall acquire no interest, either directly or indirectly, which would conflict in any manner with its performance of services as contemplated herein. The FIRM further represents that no person having any such interest shall be employed to perform the services.

SECTION 18. EMPLOYMENT ELIGIBILITY VERIFICATION (E-VERIFY)

- 18.1 In accordance with § 448.095, *Florida Statutes*, the CITY requires all contractors and subcontractors doing business with the CITY to register with and use the U.S. Department of Homeland Security’s E-Verify system to verify the work authorization status of all newly hired employees. The FIRM hereby affirms that it is registered with and uses the E-Verify system to verify the work authorization status of all newly hired employees and shall continue to do so throughout the term of this Contract. Upon request, the FIRM shall provide evidence of such registration and compliance. The FIRM agrees to obtain from all subcontractors an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien, in accordance with § 448.095, *Florida Statutes*, as may be amended. The FIRM shall retain a copy of such affidavits for the duration of this Contract and provide copies to the CITY upon request. The FIRM acknowledges that failure to comply with this Section, including failure to secure and retain subcontractor affidavits, may result in termination of this Agreement and other penalties as provided by law.

SECTION 19. TRUTH-IN-NEGOTIATION

- 19.1 Execution of this Contract by the FIRM shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Contract, or any Task Authorization, are accurate, complete, and current at the time of contracting. The FIRM acknowledges and agrees that any project or Task Authorization price, and any additions thereto, shall be adjusted to exclude any significant sums by which

the CITY determines that the price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such adjustments shall be made within one (1) year following the end of each Task Authorization.

SECTION 20. **NON-COLLUSION**

20.1 Execution of this Contract by the FIRM shall act as the execution of a non-collusion certificate stating that it has entered into no agreement to commit a fraudulent, deceitful, unlawful, or wrongful act, or any act that may result in unfair advantage for one or more Firms over other Firms. Conviction for the commission of any fraud or act of collusion in connection with any sale, quote, quotation, proposal, or other act incident to doing business with CITY may result in permanent debarment. No premiums, rebates, or gratuities are permitted, either with, prior to, or after any delivery of material or provision of services. Any such violation may result in award cancellation, return of materials, discontinuation of services, and removal from the Firm list(s), and/or debarment or suspension from doing business with the CITY.

SECTION 21. **DRUG-FREE WORKPLACE**

21.1 The FIRM hereby certifies that it complies with Florida’s Drug-Free Workplace Program as outlined in § 287.087, *Florida Statutes*. The FIRM agrees to maintain a drug-free workplace throughout the term of this Contract and will provide evidence of such compliance upon request by the CITY.

SECTION 22. **SCRUTINIZED COMPANIES**

22.1 In accordance with § 287.135, *Florida Statutes*, the FIRM certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is engaged in a boycott of Israel, nor is on the Scrutinized Companies that Boycott Israel List. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Section List, nor, to the extent not preempted by Federal law, has been engaging in business operations in Cuba or Syria. In the event this Contract ever exceeds one million dollars, the FIRM hereby preemptively certifies that neither the FIRM, nor any subsidiary, parent company, or affiliate of the FIRM is on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or, to the extent not preempted by Federal law, is engaged in business operations in Cuba or Syria. In the event the FIRM, or any of its subsidiaries, parent companies, or affiliates, engages in a boycott of Israel, is placed on any of the above-described Scrutinized Companies Lists, or, to the extent not preempted by Federal law, engages in business operations in Cuba or Syria during the term of this Contract, then the FIRM shall immediately notify the CITY. The FIRM acknowledges that failure to comply with this Section, including any false certification, may subject the FIRM to civil penalties, termination of this Contract without regard for the notice provisions herein contained, and any other remedies available under the law.

SECTION 23. PUBLIC ENTITY CRIME

23.1 In accordance with § 287.133, *Florida Statutes*, no person or affiliate, as defined in therein, shall be allowed to contract with the CITY, nor be allowed to enter into a subcontract for work under this Contract, if such a person or affiliate has been placed on the convicted vendor list following a conviction for a public entity crime within the preceding thirty-six (36) months. The FIRM hereby affirms that neither the FIRM nor any of the FIRM’s affiliates or subcontractors are on the convicted vendor list. The FIRM shall notify the CITY immediately if the FIRM, or any affiliate or subcontractor, is placed on the convicted vendor list during the term of this Contract. The FIRM acknowledges that failure to comply with this section may result in termination of this Contract and other penalties as provided by law.

SECTION 24. HUMAN TRAFFICKING AFFIDAVIT

24.1 The FIRM hereby represents, warrants, and certifies that the FIRM does not use coercion for labor or services as defined in § 787.06, *Florida Statutes*, and that the FIRM has provided to the CITY the Human Trafficking Affidavit, attached hereto as **Exhibit “D”**, and incorporated herein by reference.

SECTION 25. NON-DISCRIMINATION; FEDERAL WAGES

25.1 The FIRM, for itself, its delegates, successors-in-interest, and its assigns, and as a part of the consideration hereof, does hereby covenant and agree that i) in the furnishing of services to the CITY hereunder, no person shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in regard to this Contract on the grounds of such person’s race, color, national origin, religion, sex, age, disability, sexual orientation, or marital status; and ii) the FIRM shall comply with all existing requirements concerning discrimination imposed by any and all applicable local, state, and federal rules, regulations, or guidelines, and they may be amended from time to time. In the event of a breach of any of the nondiscrimination covenants described in this section, the CITY shall have the right to terminate this Contract and any Task Authorizations for cause.

25.2 If any project is subject to federal and grant funding that requires specific wage and non-discrimination provisions, the FIRM shall be required to comply with the same.

SECTION 26. DISPUTE RESOLUTION; VENUE; WAIVER OF JURY TRIAL

26.1 In the event of any dispute, claim, or controversy arising out of or relating to this Contract or a Task Authorization, the parties agree to first attempt to resolve the matter through good faith negotiations. Any party may initiate the negotiation process by providing written notice to the other party, outlining the nature of the dispute. The parties shall use their best efforts to resolve the dispute within thirty (30) days of such notice. If these efforts are unsuccessful, the matter shall be submitted to a court of appropriate jurisdiction within Lake County, Florida. Said parties hereby consent to the jurisdiction of such court and **EXPRESSLY WAIVE THE RIGHT TO A JURY TRIAL.**

SECTION 27. **GOVERNING LAW; SEVERABILITY**

27.1 Notwithstanding any conflict of laws, this Contract and any Task Authorization issued pursuant to this Contract shall be construed in accordance with and governed by the laws of the State of Florida. In the event any provision hereof is determined to be unenforceable or invalid, such unenforceability or invalidity shall not affect the remaining provisions of this Contract, which shall remain in full force and effect. To that extent, this Contract is deemed severable.

SECTION 28. **ASSIGNMENT**

28.1 This Contract and any Task Authorizations shall not be assigned, transferred, conveyed, or otherwise encumbered without the prior written consent of the CITY.

SECTION 29. **AMENDMENTS**

29.1 No modification, amendment, or alteration to the terms or conditions of this Contract, or any Task Authorization, shall be effective unless contained in a written document executed by the parties.

SECTION 30. **FORCE MAJEURE**

30.1 No party herein shall be liable for any failure or delay in the performance of its obligations under this Contract if such failure or delay is caused by or results from events beyond the reasonable control of the affected party, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, acts of nature, or any other cause beyond the reasonable control of the parties (each a “Force Majeure Event”). The party affected by a Force Majeure Event shall promptly notify the other party in writing of the occurrence of such event and shall use commercially reasonable efforts to resume performance as soon as possible.

SECTION 31. **EXHIBITS; CONFLICTS**

31.1 Each Exhibit referred to in this Contract forms an essential part of this Contract. Exhibits, if not physically attached, shall be treated as part of this Contract, and are incorporated by reference.

31.2 In the event of any conflict between the terms and conditions of this Contract, any Task Authorization issued pursuant to this Contract, and any Exhibits attached hereto, the following order of precedence shall apply: i) the terms and conditions of this Contract shall prevail first; and ii) the terms and conditions of the applicable Task Authorization shall prevail second. Any conflicting terms and conditions in Exhibits or other documents shall be subordinate to the terms of this Contract and the Task Authorization, unless mutually agreed to in writing by the applicable parties.

SECTION 32. **PROMOTION**

32.1 The FIRM shall acquire no right under this Contract to use, and shall not use, the names of the CITY, the CRA, or the NORTHEAST CRA for any promotional, marketing, or

1) INTRODUCTION/OVERVIEW

A) Purpose/Objective

The City of Mount Dora Finance Department (herein after, "City") has issued this Request for Qualifications (hereinafter, "RFQ"), as a joint solicitation on behalf of the City, the Community Redevelopment Area (CRA) and the Northeast Community Redevelopment Area (Northeast CRA), with the sole purpose and intent of obtaining Qualifications from interested and qualified firms offering to provide **PROFESSIONAL CONSULTANT SERVICES** in accordance with the specifications stated and/or attached herein/hereto. The City anticipates award to up to three Consultants. The successful proposers will hereinafter be referred to interchangeably as the "Consultant, Firm, or Respondent".

As is more fully explained in Section "6L" of this RFQ, an award, if made, will be made to the best overall proposer(s) whose submittal is most advantageous to the City, taking into consideration the evaluation factors set forth in this RFQ. The City will not use any other factors or criteria in the evaluation of the bids received.

B) Background

The City serves an area of 12.26 square miles with a population of approximately 17,843. The City's fiscal year begins on October 1st and ends on September 30th. The Finance Department maintains the funds and accounts of the City. The Finance Department is responsible for the custody and accounting of funds in each department.

More detailed information on the government and its finances can be found in City of Mount Dora's Comprehensive Annual Financial Report for fiscal year **2022-2023** and in the City's Annual

Budget for fiscal year **2023-2024**. Copies of these documents may be viewed on www.mountdora.gov. The City of Mount Dora is exempt from any and all state, local and federal taxes.

C) Inquiries

Proposers must clearly understand that the only official answer or position of the City will be the one stated in writing from donovanw@mountdora.gov. All questions asked, along with the answers rendered will be electronically distributed to firms registered for this solicitation and additionally posted on the City website (www.mountdora.gov) and on DemandStar (www.demandstar.com).

D) Method of Source Selection

The City is using the Competitive Sealed Qualifications methodology of source selection for this procurement, as authorized by Resolution 2021-107 establishing and adopting the City Purchasing Policy. Each Qualification will be reviewed to determine if the Qualification is responsive to the **RFQ**. Qualifications deemed to be non-responsive may be rejected without being evaluated by the Evaluation Committee appointed by the city manager, which shall be comprised of a minimum of three (3) City employees. The committee will make a recommendation to the City Council who will make the final selection(s). A responsive Qualification is one which has been signed and submitted by the specified Qualification deadline, and has provided the information required to be submitted with the Qualification. Poor formatting, poor documentation, incomplete or unclear information may be considered substandard submissions and may adversely impact the evaluation of a Qualification. Respondents who fail to comply with the required and/or desired elements of this **RFQ** do so at their own risk.

The City may, as it deems necessary, conduct discussions with responsible proposers determined to be in contention for being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

Said notice shall be posted in the lobby of the City Hall, on www.demandstar.com and on the City's website not less than three (3) working days prior to the meeting. The City shall also post prior notice of all subsequent committee meetings and shall post such notices at least one (1) day in advance of all subsequent meetings.
6. The committee will compile individual rankings, based on the evaluation criteria as stated herein, for each Qualification to determine committee recommendations. The committee may schedule presentations or demonstrations from the top-ranked firm(s), and may at their discretion make site visits, and obtain guidance from third party subject matter experts. The final recommendation will be decided based on review of scores and consensus of committee.

In general, the City wishes to avoid the expense to the City and to proposers of unnecessary oral interviews. Therefore, the City will make every reasonable effort to achieve the ranking using written submittals alone. If no single top-ranked firm can be clearly identified by review of the written submittals alone, then the evaluator(s) will request the Purchasing Coordinator to schedule the top ranked firm(s) for oral presentations/interviews.

The City reserves the right to withdraw this **RFQ** at any time and for any reason, and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.

Receipt of a Qualification submittal by the City or a submission of a submittal to the City offers no rights upon the Proposer nor obligates the City in any manner.

Acceptance of the Qualification submittal does not guarantee issuance of any other governmental approvals.

F) Ambiguity, Conflict, or Other Errors in the RFQ

If a Proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the **RFQ**, Proposer shall immediately notify the Purchasing Coordinator, noted herein, of such error in writing and request modification or clarification of the document. The Purchasing Coordinator will make modifications by issuing a written addendum/revision and will give written notice to all parties who have received this **RFQ** from the Finance Department.

The Proposer is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the **RFQ** prior to submitting a submittal or it shall be waived.

G) Qualification, Presentation, and Protest Costs

The City will not be liable in any way for any costs incurred by any proposer in the preparation of its Qualification in response to this **RFQ**, nor for the presentation of its Qualification and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

H) Acceptance or Rejection of Qualifications

The right is reserved by the City to waive any irregularities in any Qualification, to reject any or all Qualifications, to re-solicit for Qualifications, if desired, and upon recommendation and justification by the City to accept the Qualification which in the judgment of the City is deemed the most advantageous for the public and the City.

Any Qualification which is incomplete, conditional, obscured or which contains irregularities of any kind, may be cause for rejection. In the event of default of the successful proposer, or their refusal to enter into the City contract, the City reserves the right to accept the Qualification of any other proposer or to re-advertise using similar or revised documentation, at its sole discretion.

I) Requests for Clarification of Qualifications

Requests by the Purchasing Coordinator to a proposer(s) for clarification of Qualification(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive, and may be just cause to reject its Qualification.

J) Validity of Qualifications

No Qualification can be withdrawn after it is filed unless the Proposer makes their request in writing to the City prior to the time set for the closing of Qualifications.

This meeting will provide each of the shortlisted vendor 15 minutes to present information, with focus on the items listed below in the “Weighted Evaluation Criteria for Final Ranking”, and followed by a 30 minute random question and answer period. The Consultant presentation is to be supported by a hard copy hand-out without reliance on a computer power point show unless otherwise directed in writing. Each of the shortlisted consultants may have no more than three (3) people participating in this meeting.

The City reserves the right to ask participating firms any questions deemed relevant by the Evaluation Committee Members. The initial focus, however, will be on the following question:

1. Quality of the Interview: a) Interview was clear and concise; b) Questions were appropriately answered by Consultant.

If Presentations/Interview sessions are requested for shortlisted firms the following scoring process will apply:

A maximum of four (4) points can be assigned to each firms’ session. The points assigned will be multiplied by a weight of 2.5 to equal a maximum of 10 possible points for a final scoring.

After shortlisted Consultants have completed Presentation/Q&A sessions, the Evaluation Committee members will complete the Presentation/Q&A scoring forms with Purchasing totaling the forms. Scoring for this phase will NOT be combined with the previous phase. The score of each Evaluation Committee member will be tallied individually for each Consultant. Each Evaluation Committee members score will then be converted to a ranking number for each consultant with 1 being the highest ranked, 2 the second, and do on. A final ranking of the shortlisted consultants will be announced based on final ranking.

If held, the Presentation/Interview final scoring will determine the final ranking of shortlisted firms.

Drug-Free Workplace:

(Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CITY OF MOUNT DORA IS FOR THE CITY OF MOUNT DORA ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. October 14, 2024

City of Mount Dora
510 North Baker Street
Mount Dora, Florida 32757

To whom it may concern:

Edwin R. Barfield, LLC, d/b/a Barfield Group, is pleased to submit the enclosed supporting documentation as our proposal response to RFQ 24-CM-018, offering to provide Appraisal Services – Land and Real Property, for the City of Mount Dora, the Community Redevelopment Area (CRA) and the Northeast Community Redevelopment Area (Northeast CRA), immediately upon notification of a request.

The terms and conditions of the RFQ are understood and acknowledged by the undersigned, and we are highly qualified to perform all the appraisal services that may be required by the City of Mount Dora as described in the RFQ advertisement. The contents of this proposal are hereby certified as being true and accurate. We can meet or exceed all the requirements of the RFQ and provide the solicited services in accordance with the specifications stated in the RFQ. If selected for award of the contract, we will immediately execute the award agreement and provide all required certificates of insurance.

I have over 37 years of specialized experience in property negotiations, marketing, public relations, leasing, appraisal, appraisal review, negotiation, litigation and project engineering design support services. As both a licensed Florida Real Estate Broker and State-Certified General Real Estate Appraiser, I possess a distinct advantage over someone who only has an appraisal background and not the extensive experience that I have gained assisting multiple public agencies with their real estate related projects requirements.

Our multi-discipline backgrounds and extensive educational training have allowed us to develop a unique perspective and approach into how to maintain the synergistic relationships across all real estate disciplines. In addition, the principals of Edwin R. Barfield, LLC, have a combined specialization in eminent domain appraisals for public projects of over 65 years that allow for preparation of well-supported and easy to understand appraisal reports. We are committed to providing the City of Mount Dora, with the same high-level quality of appraisal services that the City of Mount Dora and all our clients have experienced and benefited from if we are awarded this contract, whether directly or by engagement of subconsultants when applicable.

Real Estate Consultant • Right of Way/Eminent Domain Specialist
3165 McCrory Place, Suite 172 Orlando, FL 32803 (407) 893-5759
www.BarfieldGroup.com

The Barfield Group has the qualifications and abilities to be able to deliver all the appraisal services that the City of Mount Dora and the two CRA'S will need provided. We are experienced with and well-versed in all related Local, State and Federal regulations that may be applicable to any appraisal assignment. In addition, Jamee Barfield, who is a principal and co-owner of the Barfield Group, is a State Certified General Appraiser and Licensed Real Estate Agent with over 38 years of real estate experience. She will also serve to support the City in every potential real estate appraisal task that the City may need our professional assistance with.

Ed Barfield will serve in the capacity of appraiser of record for every assignment. As discussed in the Approach to the Engagement section of this response, the Barfield Group has long-established relationships with many highly qualified sub-consultants whom we can engage to provide support services if required as part of an appraisal assignment. If it is determined that a subconsultant is needed for an appraisal assignment, the City will be advised of the identified need and the subconsultant expert proposed to provide appraisal support so that the City's prior written approval for the utilization of that subconsultant can be obtained. Since each appraisal assignment requires individual determination if support of a subconsultant will be needed, and we have not needed a subconsultant on any of our prior appraisal assignments for the City of Mount Dora, no subconsultants are being proposed for the City's consideration at this time.

Ed Barfield is authorized to make representations for Edwin R. Barfield, LLC, as Managing Member of the company. Mr. Barfield can be contacted at 407-893-5759 and has a physical office address of 3165 McCrory Place, Suite 172, Orlando, FL 32803. As evidenced by our prior performance for the City of Mount Dora, we are readily available and able to respond to the City's requests for assignments and meetings on very short notice.

We look forward to assisting the City of Mount Dora with those appraisal services that are solicited in the RFQ in a manner that will not only deliver an exemplary level of representation of the City of Mount Dora on every appraisal assignment but will also allow for achievement of the City's valuation needs. Please be assured that we are committed to making the best interest of the City of Mount Dora our priority.

Thank you in advance for your consideration of this proposal. Please contact me should you have any questions or require additional information.

Sincerely,

Edwin R. Barfield, SR/WA

Tab II – Company History

Company History

Since founding the firm of Edwin R. Barfield, LLC (d/b/a Barfield Group), 16 years ago, Ed Barfield has achieved a reputation that has resulted in public agencies seeking to retain our firm's services for various real estate assignments including appraisal, appraisal review, and cost estimates for proposed right of way acquisitions. Public agencies for whom our firm has successfully provided real estate related support services include the following: City of Mount Dora, Seminole County, City of Casselberry, Lake County, City of Orlando, Sumter County, Town of Oakland, Turnpike Enterprise, Osceola County, City of Kissimmee, FDOT District 3, Central Florida Expressway Authority, City of Orange City, City of Maitland, Sanford-Orlando Airport Authority, City of Sanford, City of Dade City, City of Longwood, City of Apopka, City of Lake Mary, City of Port Orange, City of Edgewater, City of Winter Springs, City of Oviedo, City of Deland and the Osceola Expressway Authority.

Edwin R. Barfield's 37 years of exclusive specialization in eminent domain appraisal, appraisal review, acquisition, engineering-design support and right-of-way management for public improvement projects provides for an unparalleled delivery of comprehensive and synergistic appraisal services at every level of complexity. Experience gained as a staff appraiser at the beginning of his appraisal career with a firm whose sole focus was eminent domain appraisal provided the foundation for delivery of appraisal services capable of deflecting the dissection that occurs when a parcel acquisition must be litigated to establish the compensation to be paid. Subsequent focus on appraisal review as a Senior Appraiser for the FDOT provided an even broader exposure and further emphasis on the necessity of ensuring that an appraisal or appraisal review accurately reports factual data, is consistent in the analysis developed, conveys a clear understanding of the analysis presented, and is not only well supported but also convincingly guides the reader to reach the same conclusion as stated in the report. When a well-supported appraisal and/or appraisal review is prepared for purposes of negotiation, the opportunity for a successful challenge of the value conclusion by a property owner is substantially diminished.

For those instances when a negotiated settlement has not been secured, having an initial appraisal report that can withstand a detailed examination conducted in preparation for litigation is an invaluable benefit to the condemning agency. Similarly, having an appraisal review prepared by an appraiser with the requisite expertise necessary to refute a property owner's claim for compensation by clearly and convincingly establishing that the valuation analysis is not only unreasonable but also unsupported, allows for successful negotiated settlements instead of costly mediations and litigation. In addition, Mr. Barfield's experience with providing legal counsel with expert witness services, identification of trial exhibits that deliver maximum jury impact, preparation of direct examination and rebuttal questions for the condemnor's and condemnee's expert witnesses that "paint the picture" for the jury members, and assistance to the client's attorney during trial testimony, are examples of the type of skills that distinguish Mr. Barfield's capabilities.

Jamee S. Barfield joined Edwin R. Barfield, LLC, as President of the firm in January 2012, after a highly successful career as an independent fee appraiser in her own firm and as a founding member of The Appraisal Group of Central Florida where she specialized in eminent domain appraisal and appraisal review. She now provides our firm with not only management of the office, but also with preparation of appraisals, appraisal reviews, Broker Price Opinions, right-of-

way cost estimates, acquisition/negotiation support and all other real estate services that are associated with our representation of public agencies.

Edwin R. Barfield, LLC, is a Florida Limited Liability Company (FEIN Number 26-2878504), with the office from where appraisal services will be provided to the City of Mount Dora being located at 3165 McCrory Place, Suite 172, in Orlando, Florida. The proximity of our office location will allow us to be able to attend meetings with the City of Mount Dora on short notice since the drive-time has been reduced substantially by the opening of the extensions of SR 429 and SR 453. We also have the equipment and capabilities for conducting or attending meetings by remote electronic means.

The principals of the Barfield Group are Edwin R. Barfield, SR/WA, and Jamee S. Barfield, both of whom are State Certified General Real Estate Appraisers. Ed Barfield is also a Florida licensed real estate broker and notary public, and Jamee Barfield is a Florida licensed real estate agent. Both principals are authorized to make representations for the Barfield Group, with Ed Barfield serving as Managing Member for the firm, and Jamee Barfield as the firm President.

Ed Barfield will serve as the Appraiser of Record responsible for all daily operations and fulfillment of the contract obligations and will serve as the point of contact with City representatives and other City consultants. If any subconsultants may need to be engaged in support of the appraisal assignment when circumstances warrant, he will manage those supporting experts.

Tab III – Approach to the Engagement

Approach to the Engagement

The Scope of Services to be provided to the City of Mount Dora, the Community Redevelopment Area (CRA) and the Northeast Community Redevelopment Area (Northeast CRA), will be for appraisal related assignments to be delivered in accordance with the specifications stated in the RFQ. The appraisal services to be provided to the City will serve to insure the successful completion of various City projects, with applicable services performed by the Barfield Group. The City will be advised when we determine that support by one or more of the many qualified subconsultants whom we have long-established relationships with is recommended to provide specialized assistance for development of the appraisal report.

Each appraisal assignment that the City requests the Barfield Group submit a scope and fee proposal for will be delivered in a written narrative format which will detail the scope of the appraisal assignment, along with the fee quote based upon our enclosed Fee Schedule/Rate Sheet, and the date/time by which the report will be submitted to the City's representative. We will provide the City with the best possible response time for delivery of each assigned task authorization. We will make every attempt to ensure the best possible response time to a request from the City for a scope and fee proposal to be provided, and to each task authorization as assigned.

We have the ability and desire to stay within the City's budget requirements. Close coordination with the City's representative prior to development of our scope and fee proposal will ensure that the total fee(s) for a particular appraisal assignment will not exceed the City's budget for that project. If appropriate, this may require that the scope of services be adjusted.

It is acknowledged that approval for payment of the appraisal services provided will be based upon receipt of, and the City's approval of, the final appraisal review reports, when applicable. It is understood that the City may elect to not have appraisal review reports prepared for all appraisal reports that may be provided to the City, and in those instances, payment of our invoice will be contingent upon acceptance of the appraisal report by an authorized City representative.

The Barfield Group has the capacity and capabilities to perform the assigned appraisal services within the project schedule that will be identified in each of our scope and fee proposals and that has been approved by the City. We are committed to delivery of the appraisal to the City within the time period stated in our proposal for each assignment, and will strive to deliver the appraisal as soon as possible after receiving the notice to proceed or the purchase order for an assignment. All necessary resources will be employed to ensure delivery of contracted services in a timely manner in accordance with the agreed project schedule.

Ed Barfield will serve as the Appraiser of Record for fee appraisal and appraisal review services. He will be responsible for all daily operations, fulfillment of the contract obligations, and will serve as the point of contact with City representatives and other City consultants. If any subconsultants may need to be engaged in support of the appraisal assignment, when circumstances warrant and when approved by the City, he will manage those supporting experts.

As the Appraiser of Record, he will ensure all appraisals and appraisal reviews conform to the Uniform Standards of Professional Appraisal Practice, and the Florida Department of Transportation Supplemental Appraisal Standards, if this is a requirement of a specific appraisal

assignment contract. Our Quality Assurance will cover the entire length of the contract, from data collection and analysis of comparable sales to the preparation and completion of each individual appraisal, as well as preparing for Order of Taking Hearings, Mediation, and Trial, if such should be necessary.

In the development of the appraisals, the comparable sales data will be verified by the appraiser of record with a party involved in the transaction, if available. The items listed for the sales data sheet contained in the FDOT Supplemental standards will be used as a checklist for confirmation of the sales to ensure all relevant points of the sale property are addressed. Relevant listings will be researched, and the appraiser will contact real estate professionals in the project area as another market data source. The appraiser of record will inspect all comparable sales and rentals and review all comparable sales to be used in the appraisal report. Verification of governmental regulations, such as zoning and future land use will be confirmed with the appropriate regulatory office.

The appraiser of record will attend meetings with the subconsultants on issues regarding highest and best use, re-zoning, potential land use changes, and other parcel specific issues relating to the appraisal assignment. The appraiser of record will maintain close contact with any subconsultants to ensure they have a complete understanding of the scope of services requested and are able to meet the due dates and internal production goals. In addition, the appraiser of record will coordinate team inspections of the subject properties with the subconsultants, reviewers, and the City's Project Manager. All supporting data provided by the subconsultants will be reviewed by the appraiser of record, and the appraiser of record will review and be responsible for all appraisal reports. All mathematical calculations used in the appraisal reports will be double-checked to help prevent typographical errors and a secondary review of each appraisal will be conducted. Each report will conform to the Uniform Standards of Appraisal Practice, and the FDOT Supplemental Standards if requested by the City. The appraiser will use the Reporting Requirements itemized in Section 6.2 of the FDOT Supplemental Appraisal Standards as part of the in-house Quality Control review.

Any areas of subjectivity regarding the highest and best use of a parcel will be fully documented explaining the appraiser's reasoning. The appraiser of record will communicate closely with the City's Project Manager in resolving any potential problem areas that may arise after the assignment has begun. In addition, the City's Project Manager will be alerted to any legal issues that may arise and require legal directions by the City's legal representative. The appraiser of record will monitor the production throughout the project to ensure all due dates are met.

Our quality control process will entail adherence to the Barfield Group's QC/QA Plan. Detailed research and scrutiny of market data will be conducted, as well as thorough identification of a property's characteristics and potential highest and best use. Close communication with City representatives will be employed in determining the appropriate scope of services for each appraisal assignment and allowing for resolution of potential valuation issues early in the process. The City will be alerted to any potential legal issues that may require legal instructions/directions from the City Attorney's Office for proper development of the appraisal report.

For appraisal updates that occur after substantial time has passed since the submittal of the initial appraisal report, if engineering/land planning support was originally required we would recommend that the subconsultant update their analysis if a significant time has passed since the original appraisal was submitted or if there have been physical changes to the property that will need to be addressed by the appraiser in updating the valuation and value conclusion. This could also be applicable if the appraisal problem includes an opinion by City staff regarding a cure or change of land use/zoning. However, in some cases when an update in the value conclusion is required due to change in market conditions, a letter update could potentially suffice if research indicates no other changes to the original conclusions are warranted. Letter updates may suffice from the subconsultants even if a full update is required for the appraisal. For those instances where the services of a General Contractor subconsultant were determined to have been appropriate, as long as the RCN and Cost to Cure state that the estimate/bid is good for one year and that period has not passed, an update by the General Contractor subconsultant may not need to be requested. However, if the period for which the General Contractor's bid remains valid has passed, then an update will need to be requested. Lastly, the surveying services are not typically included for an update unless there has been a significant change in the property since the original appraisal or if the area to be acquired for a partial acquisition from a property has been revised.

The Appraiser will follow the rules and regulations pursuant to Florida Statute 475, Part II and the Florida Real Estate Appraisal Board, Chapter 21VV, Florida Administrative Code. Appraisals will be prepared in compliance with the Uniform Standards of Professional Appraisal Practice, and the FDOT Supplemental Appraisal Standards (FSS), if requested by the City. Estimates of Market Values can be provided for the following: large tracts of land; subdivision lots; partial acquisitions for right of ways for roads, drainage, utilities, etc.; easements (temporary, permanent, drainage, utility, conservation and construction); waterfront; wetlands/marshlands; environmentally sensitive lands; environmentally significant lands; improved and unimproved commercial properties; improved and unimproved residential properties; leasehold properties; agricultural; mobile homes; multi-family properties; historic properties (commercial and residential); commercial office space; court testimony.

Through the years we have developed a network of highly qualified subconsultant professionals to provide us with the support needed to deliver quality appraisal reports to our clients. In our selection of a subconsultant, their prior eminent domain experience is extremely important. Not only do our subconsultants used for an eminent domain assignment need to have knowledge of the Before and After Appraisal process, litigation experience and familiarity with case law are also important. In addition, an established working relationship with the subconsultants is important as this ensures they are familiar and capable of providing us with their services that will appropriately support our needs for the development of the appraisal report. When the support of an expert subconsultant is needed, the information provided by that expert can be essential in our being able to thoroughly address the appraisal problem. Therefore, when it is determined that support of the appraisal development by a subconsultant expert is warranted, we will only recommend to the City approval for those subconsultants that we know from experience will be able to adhere to the project schedule and provide quality support for the appraisal assignment.

As indicated above, there may be certain circumstances when other professionals may be needed to assist the appraiser in providing their expertise in the scope of the appraisal assignment. The need for subconsultant services is unique to each appraisal assignment and is determined based upon the complexity and scope of the appraisal assignment and appraisal problem. It is noted that on all past appraisal assignments for the City of Mount Dora, utilization of subconsultants has not been necessary. Therefore, the City will be advised should we determine that a supporting subconsultant is recommended for utilization on an appraisal assignment.

We have appraised numerous properties requiring land planning, engineering, surveying and general contractor services. An example would be an appraisal of an improved retail commercial property whereby the proposed acquisition severs the parking, affects the existing access and includes the acquisition of multiple site improvements. The land planning/engineering services would assist with conformance issues of the building and site improvements (i.e., signage, setbacks, etc.) ingress/egress and on-site circulation both before and after the taking. In addition, they would provide a cost to cure analysis to assist the appraiser in any potential mitigation of severance damages resulting from the partial acquisition. A surveyor would assist in the appraisal problem by identifying in the field the exact parent tract boundaries and improvements in the area to be acquired. A survey of the property in the existing condition is integral to the engineering and land planning analysis when a cost to cure analysis is required and in the analysis of the potential for there to be severance damages resulting from the partial acquisition.

A general contractor would provide a replacement cost new of the improvements in the acquisition area and provide a cost to cure bid based upon the cure analysis concluded for the parcel. An FF&E appraiser subconsultant is generally required when there is a potential that severance damages may impact the utility of the building or specialized equipment that is part of the parent tract. The FF&E appraisal includes the market value in place of both the moveable and immovable components. If the business or improved real estate can no longer function at the site because of the partial acquisition, the value of the components that are not always considered real estate are available to the City for negotiation. In some cases, an FF&E appraiser is required to value the parent tract if the market perceives some of the FF&E components to be part of the typically traded bundle of rights (i.e., valuation of a hotel).

A petroleum expert is needed when a partial acquisition impacts the petroleum sales either by physical loss of pump islands or impacts to on-site circulation because of the partial acquisition that could create a change in the petroleum sales. The petroleum expert assists the appraiser in determining if the partial acquisition has significantly impacted the highest and best use of the property in the remainder condition for continued use as a facility with gasoline sales ability.

Direct and successful personal experiences with our subconsultants are the basis for their selection to provide support to us for development of the appraisal. All supporting subconsultants that we would recommend to the City for approval have demonstrated to us their hands-on involvement as highly qualified experts in their fields, as well as their on-time delivery of a thorough and quality work product. Our potential sub-vendors have demonstrated on prior projects their commitment to providing support to the appraiser that exceeded what other firms in their area of expertise could provide. In keeping with our above-standard quality requirements, we have scrutinized and identified those firms who have previously demonstrated their ability to be able to consistently provide appraisal related support services

with resolute adherence to maintaining pride in the quality of their work product and for their ability to work closely with all Team members. Our well-established standard of superior quality and team synergy will allow us to provide the City of Mount Dora with quality appraisal and related valuation services.

All appraisals and appraisal reviews will be peer-reviewed prior to submittal to ensure that the report is easily understood and the values on the project are consistent when there is more than one parcel to be appraised. This process will provide for delivery of well supported value determinations that are not only compliant with USPAP but also be able to withstand litigation scrutiny.

The Scope of Services for the appraisal assignment will dictate the project schedule, and there is no generic timetable that is applicable to each appraisal assignment. Non-complex appraisals are expected to be delivered to the City within 30 days or less. More complex appraisals may require up to 60 days for delivery of a thorough and well-supported appraisal report. Project schedules will be provided as part of the development of the scope of services for each appraisal proposal that will be provided to the City. Close coordination with the City's Project Manager will allow for development of a schedule that will satisfy the time constraints of the City's project.

Appraisal fees are also determined by the scope of services for a particular appraisal assignment and are dependent upon identification of the valuation analysis that will be necessary to provide the City with a thorough and well-supported appraisal report. Under USPAP, the appraiser should first determine the appropriate scope of services before identifying the fee to ensure that the client receives an appraisal report that is going to satisfy the client's needs.

The services provided by the Barfield Group reflect the unique range of expertise and experience of its principals, Edwin R. Barfield, SR/WA, and Jamee S. Barfield. Their combined real estate appraisal experience, with specialization in eminent domain appraisal and appraisal review, property acquisitions, and engineering-design support for public projects, has provided invaluable insight into what is required to achieve delivery of quality appraisal services to the City of Mount Dora. The City will also be able to benefit from our extensive knowledge and continuous review/tracking of Florida case law and statutes that will be drawn upon to ensure that the appraisal report is legally sufficient and in compliance with all applicable legal criteria.

We are members of the Orlando Regional REALTOR® Association and subscribe to both the Multiple Listing Service (MLS) and CoStar/LoopNet research and marketing services, as well as the Marshall & Swift Cost Estimating Service. We are well positioned to be able to quickly obtain market data for requested appraisal assignments for those properties that the City is seeking to sell, acquire or lease from others.

Ed Barfield has over 37 years of experience and Jamee Barfield has over 32 years of experience providing real property related assistance to public agencies. We are highly qualified to provide the City of Mount Dora with those real estate appraisal services identified in the RFQ and are committed to exemplary delivery of those services.

Appraisal Review Services, if requested

Although not specifically identified in the RFQ, both firm principals will be able to conduct reviews of appraisals to ensure that the City has been provided with an understandable and supported opinion of a property's value. We also are able to review and advise the City on claims for business damages resulting from the acquisition of less than the whole property, provide assistance with closings if needed, review and provide input on project designs, preparation of settlement justifications if required, and assist with preparation of suit packages (although this task is considered to be unlikely to be necessary given our record of providing quality appraisals).

Jamee Barfield will provide all necessary support services as required by the contract agreement, to include but not limited to property and property owner research, market data research, preparation of data summaries, appraisal drafts, appraisal reviews, project progress tracking, and scheduling.

The Review Appraiser of Record will establish effective communication with the fee appraiser. Subject inspections will be attended by the Review Appraiser of Record. All comparable market data (sales, rentals, etc.) will be inspected by the Review Appraiser of Record. As part of the fee review process, the review appraiser will become familiar with the project area, real estate market and available market data. The subconsultant reports and construction plans will be reviewed.

The FDOT Supplemental Standards can be used in the appraisal review to ensure the appraisal reports being reviewed are complete, contain support for conclusions and are mathematically accurate, if so requested. The market value opinion by the fee appraiser will be reviewed for reasonableness and to ensure the report is adequately supported.

The Review Appraiser of Record will coordinate and communicate with the fee appraiser during the entire phase of the project. After discussions with the fee appraiser, any subjective issues arising during the appraisal review that may require input by the City's representative will be brought to the attention of the City's Project Manager. Issues relating to non-compensable items and/or damages will be discussed and communicated to the City's Project Manager. The Fee Review appraiser will also be cognizant of addressing any consistency issues between the appraisals if there are multiple property acquisitions on a project.

As discussed in the Quality Assurance process for the Fee Appraiser, as the Primary Contract Fee Reviewer, the Review Appraiser of Record will communicate closely with the fee appraiser and the City's Project Manager in resolving any potential problem areas that may arise after the project has begun. In addition, the Project Manager will be alerted to any legal issues that may arise and require legal direction by the City's legal representative. The Review Appraiser of Record will monitor the production of services throughout the project to ensure all due dates are adhered to.

Quality Assurance Plan

This document describes the Project Quality Assurance Plan that the Barfield Group will utilize to ensure that all appraisal assignments are complete and accurate prior to submittal to the City. We will follow our established property valuation methods and procedures to ensure the accuracy of our valuation reports.

The Barfield Group's Quality Assurance Plan is based on the belief that *Quality*:

- Is achieved by planning, coordination, defined procedures, proper supervision, full understanding of the scope of services to be provided, quality/skilled personnel, and careful work to avoid errors and omissions.
- Is assured and verified by checking and reviewing work product by an individual who did not perform the initial efforts.
-

The current edition of the FDOT Right of Way Supplemental Appraisal Standards is our standard reference source for those items and procedures to be applied in the preparation of appraisal reports. The following costs and factors to be included in an appraisal report as may be applicable include the value of the parent tract/larger parcel and/or building improvements, value of the land and improvements to be acquired, remainder valuation, severance damages, and cost to cure damages (including demolition). If mitigation of business damages can be accomplished by a "super" cost to cure, the City's representative will be consulted on the potential for incorporating a cure plan for this purpose in the real property valuation.

Ed Barfield will be the appraiser of record responsible for the appraisal conclusions. He will serve as the point of contact and the individual responsible for identification of opportunities for minimization and/or avoidance of property and business impacts that will be presented to the City's representative for consideration and determination.

Development of property appraisal includes the following:

- Identification of appropriate parent tract and/or larger parcel.
- Property ownership verification.
- Determination of a property's current use and the highest and best use.
- Identification of the compensable and non-compensable impacts to the property resulting from the proposed acquisition.
- Recommendation of the opportunities for minimization or avoidance of real property severance and business damages.
- Identification and estimate of the value of impacted building and site improvements.
- Identification and estimate of severance damages and/or cost to cure damages.
- Identification of opportunities for whole acquisitions to avoid potential business damages.
- Identification of potential impacts to a property which may result in a need for relocation of the occupant.
- Market data research and analysis, using the best information available from reliable sources.

- Verification of market data with a party to the transaction by the appraiser of record.
- Field inspections of the subject property and comparable sale/rental properties (photograph and/or video).
- Review and utilization of current and historic aerial photographs.
- Evaluation and consideration of environmental delineations and maps.
- Review and understanding of the construction plans and right of way maps for identification of direct and indirect impacts to a subject property.
- Development of a reliable, comprehensive and accurate estimate of value for the subject property in a narrative format that will be easily understood by the City's acquisition agent and the property owner/representative.

Expert Testimony

Mr. Barfield has provided expert testimony many times over the course of his career in support of property acquisitions and appraised values for both public agencies and property owners. He also has extensive experience providing legal counsel with expert witness services, identification of trial exhibit contents that deliver maximum jury impact, preparation of direct examination and rebuttal questions for the condemnor and condemnee expert witnesses that "paint the picture" for the jury members, and on-the-spot assistance to the public agency's attorney during trial testimony. These are the types of skills that distinguish Mr. Barfield's unique capabilities when litigation is necessary to acquire a property interest required for the construction of a public improvement project.

Mr. Barfield has also served for many years as a Special Magistrate to the Value Adjustment Boards in Orange, Osceola and Sumter Counties for Ad Valorem Property Tax Appeals and has conducted hundreds of hearings. A Special Magistrate serves as a quasi-judicial official for the VAB who conducts the hearing, receives both testimony and written evidence, questions the witnesses concerning their testimony and/or evidence, and prepares written recommended orders to the VAB that includes an opinion of the Findings of Fact and Conclusions of Law as supported by the magistrate's review of the evidence presented by the County Property Appraiser's Office and the Petitioner or their representative.

Mr. Barfield is highly qualified to serve as an expert witness for the City of Mount Dora, if needed. However, it is noteworthy that although he has provided expert sworn testimony, he has never had to defend one of his appraisal reports in a deposition or trial. This rare track record is attributable to always providing his client with a thorough and well documented appraisal, that when presented to a property owner or their representative in support of that agency's written offer to purchase, is easily understood and leads the reader to the same conclusion of value as reported in his appraisal report.

Additions, Exceptions, or Clarifications Deemed Pertinent to this Proposal

Compensation in Section 4 D of the RFQ states that the City's preferred method of compensation is for services rendered on an hourly basis, consistent with actual hours worked and the fee schedule then in effect. This Section also states that the City will not compensate the successful proposer, and any person in the firm, for time spent traveling to or from meetings or to any project site location(s).

It should be noted that appraisal fee quotes are typically provided as a lump sum amount. The basis for the fee quote is the amount of time the appraiser estimates will be required to complete the scope of services at the appraiser's hourly rate. Our fee quote always includes recognition of the time that is required to travel to and from the subject property, or properties if there is more than one property to be appraised. Since inspection of the subject property is necessary for development of the appraisal report, and all appraisers take travel time into consideration when preparing their fee quote, the City's requirement that compensation be for services rendered on an hourly basis for actual hours worked that cannot include travel time does not allow for the appraiser to be compensated for time expended accomplishing the appraisal assignment.

Appraisal fees are determined by the scope of services for a particular appraisal assignment and are dependent upon the identification of the valuation analysis that will be necessary to provide the City with a thorough and well-supported appraisal report. Under the requirements of the Uniform Standards of Professional Appraisal Practice, (USPAP), the appraiser should first determine the appropriate scope of services before identifying the fee to ensure that the client receives an appraisal report that is going to satisfy the client's needs.

When a request to provide a scope and fee proposal for an appraisal assignment is received, our proposed fee is inclusive of all costs that include both direct and indirect components, appraisal related services, insurance, coordination and other incidentals that are necessary to perform the stated scope of services. Our fee quotes also recognize that time will be required for travel time to and from the inspection of the subject property and the comparable sales, listings and/or rentals. Our scope of services identifies the type of appraisal reporting format and the appraisal problem, so our appraisal fee also reflects all of the components required for completion of the services that are contracted to be provided. Our appraisal fees are reasonable and competitive with fees that are predominant in our market area, and like all appraisers, include the time required for travel.

Unless specifically requested, attendance at City meetings is not typically included in the scope of services for providing an appraisal. If the City requests the appraisal scope to include attendance at City meetings, we will be glad to include such in our proposal. Although frequent attendance at City meetings of short duration is unlikely, our proposals will need to include limitations on the frequency for our in-person attendance at City meetings if requested to include meeting attendance in our scope of services. Given the potential for attendance at City meetings by electronic means, it is unlikely that travel time will be an issue.

Tab IV – Qualifications / Experience of Firm and Key Personnel

Qualifications / Experience of Firm and Key Personnel

Edwin R. Barfield's 37 years of experience in appraisal, appraisal review, acquisition, engineering-design support and management for public projects provides for an unparalleled delivery of comprehensive and synergistic real estate appraisal services at every level of complexity. Experience gained as a staff appraiser at the beginning of his appraisal career with a firm whose sole focus was eminent domain appraisal provided the foundation for successfully providing real estate services to public agencies in the subsequent years. His time spent as a Senior Appraiser for the FDOT provided an even broader exposure and understanding of the importance of ensuring that data is factual and accurately reported. His ability to convey information to others in a manner that is authoritative and convincing allows the reader of the appraisal to have a clear understanding of the reasoning that was employed in the development of the value determination. The net result is the reader of the appraisal being able to comprehend the supporting data and analysis that were utilized to derive the value determination. When a well-supported opinion of value is prepared for purposes of negotiation, the opportunity and ability for that value to be disputed by the other party is negated.

Having the expertise to be able to clearly and convincingly support the value of a real property interest is key to being able to achieve a successful negotiated settlement and provides for avoidance of having to undergo costly mediations and litigation. In addition, Mr. Barfield's experience with providing legal counsel with expert witness services, identification of trial exhibits that deliver maximum jury impact, preparation of direct examination and rebuttal questions for the expert witnesses that "paint the picture" for the jury members, has endowed him with an understanding of how to prepare a narrative appraisal report that leads the reader to the same logical conclusion presented. This distinguishes his report writing capabilities from others who do not have such an extensive and broad experience to draw upon.

From his experience as an appraiser and reviewer, Mr. Barfield will be able to ensure the City that valuation issues and concerns will be able to be properly addressed in the appraisal report and not after the fact when raised by a property owner or their attorney. Coordination with the City's staff and consultants will allow for delivery of an approval-ready appraisal report that prevents delays in the presentation of the initial offer to the property owner which could have a negative effect on the project schedule.

While providing support for litigation of contested property acquisitions while working in the FDOT District Five and the Florida Attorney General offices, observation of the multitude of opportunities that were available that could have been prevented if the appraisal had been thorough by addressing all potential impacts, whether compensable or not, in the appraisal report. A comprehensive analysis of the impacts from a partial acquisition allows the property owner and/or their attorney to have sufficient reasons to understand and accept that the City's appraisal report has addressed and evaluated all impacts and the consequential damages to the remainder that may result from the partial acquisition. Identification of potential impacts for preparation of the appraisal scope of services is key to ensuring that the appraisal report to be provided to the City will contain all of the necessary analyses required to develop a credible report and value determination. If there are instances where a design modification will allow for elimination or minimization of unnecessary impacts to properties and businesses, the City would be advised accordingly of the potential for cost savings to be achieved by revision of the project design. Property owner acceptance of the appraisal analysis and value conclusion is always our goal in the preparation of every appraisal report.

Ed Barfield is a graduate of the University of Florida with a Bachelor of Science degree in Real Estate and Urban Economics. He has completed over 140 specialized courses, seminars and training sessions related to real estate, appraisal, and property acquisitions, a list of which is included on his curriculum vitae in the Addenda to this response to the RFP. He holds the SR/WA designation from the International Right of Way Association (Designation Number 026676728), is a Florida State Certified General Real Estate Appraiser (No. RZ2594), is licensed by the Florida Real Estate Commission as a Florida Real Estate Broker (No. BK0450961) and is a State of Florida Notary Public (No. 1324586). His credentials, education, training and vast experience in multiple aspects of the field of real estate provide him with a level of expertise that is rarely possessed by one individual.

Mr. Barfield was selected to serve as a Special Magistrate for the Value Adjustment Boards, for every year that he applied, in the following counties: Orange: (2010 – 2020); Osceola: (2012 – 2020); Citrus: (2015 - 2018). Service as a Special Magistrate exposure to valuation issues for numerous types of unique properties and appraisal methodologies. The range of property types encountered is much broader than a typical appraiser would ever typically be exposed to in the regular course of preparing appraisals for clients, thereby providing him with knowledge of the market for almost every type of property found in the Central Florida Market Area.

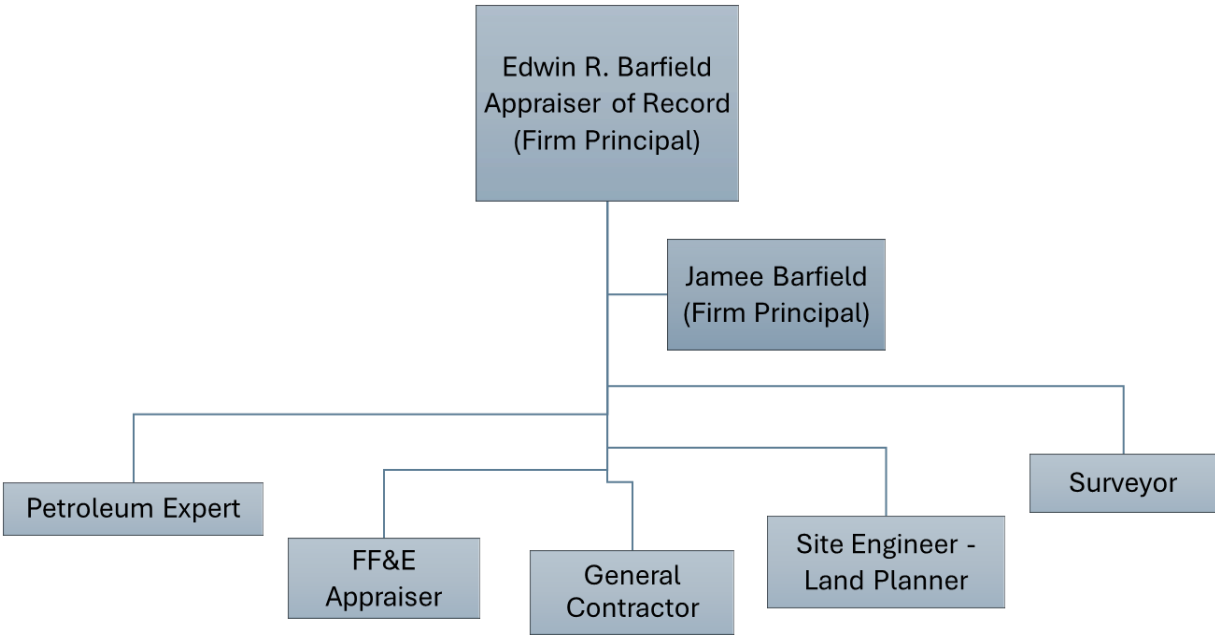

Ed Barfield has been highly successful in aiding public agencies on their real property valuations. Whether the services provided were for appraisals, appraisal reviews, or right of way acquisition cost estimates, the client received the same high level of service as we have delivered on prior projects for the City of Mount Dora.

Jamee S. Barfield is the President of the Barfield Group and has over 32 years of specialization in multiple Eminent Domain disciplines that includes: appraisal, appraisal review, acquisition services, market data summaries, acquisition cost estimating, public project acquisition phase management, and litigation preparation and support of expert testimony.

Jamee Barfield is a Florida State Certified Real Estate Appraiser (No. RZ2264) and a licensed Florida Real Estate Agent (No. SL3357611). She has an Associates of Science Degree in Office Systems Technology, as well as an Associate Degree in General Studies, both of which are from Valencia Community College in Orlando. She has successfully completed numerous appraisal and specialty courses, appraised or reviewed a broad spectrum of property types for real property acquisitions. In 1992, she and two partners founded The Appraisal Group of Central Florida, and in 1999 she formed her own appraisal firm, Condemnation Appraisal Services, Inc. She joined Ed Barfield at Edwin R. Barfield, LLC, in 2012, and is President of the firm.

The potential need for subconsultant services is unique to each appraisal assignment and is determined based upon the complexity and scope of the appraisal and the appraisal problem. We have established relationships with subconsultants from having appraised numerous properties requiring land planning, engineering, surveying and general contractor services. Under USPAP, the appraiser should first determine the appropriate scope of services to identify if there is a potential need for support from a qualified expert to ensure that the client will receive an appraisal report that is going to satisfy the client's requirements. If it is determined that support by a subconsultant expert for an appraisal assignment is warranted, we will only recommend to the City approval for those subconsultants we know will be able to adhere to the project schedule and provide us with quality support for development of the appraisal.

Firm Organizational Chart

Qualifications of Personnel Assigned to City of Mount Dora Appraisal Projects

As the principals of the Barfield Group, Ed Barfield and Jamee Barfield have decades of specialization in eminent domain appraisal practice. While there are many appraisers who claim to have eminent domain appraisal experience, we have established our well-respected reputation by providing numerous government agencies with superior quality appraisals, appraisal reviews, cost estimates and litigation support.

Ed Barfield will serve as the Appraiser of Record for fee appraisal and appraisal review services. He will be responsible for all daily operations, fulfillment of the contract obligations, and will serve as the point of contact with City representatives and other City consultants. If any subconsultants may need to be engaged in support of the appraisal assignment, when circumstances warrant and when approved by the City, he will manage those supporting experts.

As the Appraiser of Record, he will ensure all appraisals and appraisal reviews conform to the Uniform Standards of Professional Appraisal Practice, and the Florida Department of Transportation Supplemental Appraisal Standards, if this is a requirement of a specific appraisal assignment contract.

Our Quality Assurance will cover the entire length of the contract, from data collection and analysis of comparable sales to the preparation and completion of each individual appraisal, as well as preparing for Order of Taking Hearings, Mediation, and Trial, if such should be necessary.

Our office is in the City of Orlando, so we can travel to the City of Mount Dora utilizing the limited access roadway system that allows for a relatively short drive-time.

Local government agencies that we have provided appraisal services for or have continuing appraisal contracts with, include the following: City of Oakland; Town of Oakland; City of Maitland; City of Lake Mary; City of Deland; Central Florida Expressway Authority; City of Apopka; Seminole County; Turnpike Enterprise; City of Sanford; Sanford Airport Authority; FDOT District 3; Osceola Expressway Authority; Osceola County; City of Dade City.

The reader is referred to Sections V and VI of this proposal for identification and description of specific appraisal assignments. Over the course of his career, Ed Barfield has prepared thousands of appraisals and appraisal reviews.

Our extensive levels of eminent domain appraisal and appraisal review experiences are summarized as follows:

Edwin R. Barfield

Edwin R. Barfield's 37 years of exclusive specialization in eminent domain appraisal, appraisal review, acquisition, engineering-design support and right-of-way management for public improvement projects provides for an unparalleled delivery of comprehensive and synergistic appraisal services at every level of complexity. Experience gained as a staff appraiser at the beginning of his appraisal career with a firm whose sole focus was eminent domain appraisal provided the foundation for delivery of appraisal services capable of deflecting the dissection

that occurs when a parcel acquisition must be litigated to establish the compensation to be paid. Subsequent focus on appraisal review as a Senior Appraiser for the FDOT provided an even broader exposure and further emphasis on the necessity of ensuring that an appraisal or appraisal review accurately reports factual data, is consistent in the analysis developed, conveys a clear understanding of the analysis presented, and is not only well supported but also convincingly guides the reader to reach the same conclusion as stated in the report.

When a well-supported appraisal and/or appraisal review is prepared for purposes of negotiation, the opportunity for a successful challenge of the value conclusion by a property owner or their legal representative is substantially diminished. For those instances when a negotiated settlement has not been secured, having an initial appraisal report that can withstand a detailed examination conducted in preparation for litigation is an invaluable benefit to the condemning agency.

Similarly, having an appraisal review prepared by an appraiser with the requisite expertise necessary to refute a property owner's claim for compensation by clearly and convincingly establishing that their valuation analysis is not only unreasonable but also unsupported, allows for successful negotiated settlements instead of costly mediations and litigation. In addition, Mr. Barfield's experience with providing legal counsel with expert witness services, identification of trial exhibits that deliver maximum jury impact, preparation of direct examination and rebuttal questions for the condemnor's and condemnee's expert witnesses that "paint the picture" for the jury members, and on-the-spot assistance to the agency's attorney during trial testimony, are examples of the type of skills that distinguish Mr. Barfield's capabilities.

As an FDOT reviewer, Mr. Barfield worked closely with the contracted appraiser to ensure that valuation issues and concerns were addressed prior to submittal of the appraisal report. The result of close coordination with the appraiser was an average turnaround time of three days between the date the appraisal was submitted by the contracted appraiser and completion of the review appraiser's statement. Not only does that process provide for delivery of an approval-ready appraisal report that prevents delays in presentation of the initial offer to the property owner, but also benefits the appraiser by being able to submit an error free appraisal report.

In the course of providing support for litigation of contested property acquisitions while working in the FDOT District Five and the Florida Attorney General Office, observation of the multitude of opportunities that were available but not seized upon to preclude adversarial acquisitions resulted in Mr. Barfield's development of right-of-way division that provided design support from a right-of-way perspective in all project phases. Delivery of right-of-way input early and throughout the design process allows for elimination or minimization of unnecessary impacts to properties and businesses, thereby avoiding costly property acquisitions and the far too common changes to the project design during the right of way phase. Avoidance of owner/stakeholder dissatisfaction with the project design is the standard result of Mr. Barfield's valuable input from the initiation of the project in the PD&E phase that continues through

preparation of the design plans and the subsequent right-of-way phase. His expertise in being able to provide input to the City of Mount Dora on how to avoid costly partial acquisitions will be an additional benefit to the City for appraisal assignments where less than the whole property is needed for construction of the City's project.

Upon embarking on the establishment of his own right-of-way professional consulting services firm, Mr. Barfield has established a reputation for delivering quality services to government agencies. The City of Mount Dora will have an opportunity to continue to receive the same level of superior quality appraisal services that the City and other government agencies have come to expect from the Barfield Group. While many firms provide eminent domain appraisal and appraisal review services, we offer an extremely broad level of expertise and exemplary quality on which Mr. Barfield's reputation for excellence has been established.

Jamee S. Barfield

Jamee S. Barfield is the President of the Barfield Group and has over 32 years of specialization in multiple Eminent Domain disciplines that includes: appraisal, appraisal review, acquisition services, market data summaries, acquisition cost estimating, public project acquisition phase management, and litigation preparation and support of expert testimony.

Jamee S. Barfield joined the Barfield Group as President of the firm in January 2012, after a highly successful career as an independent fee appraiser in her own firm and as a founding member of The Appraisal Group of Central Florida in 1992 where she specialized in eminent domain appraisal and appraisal review. In 1999 she formed her own appraisal firm, Condemnation Appraisal Services, Inc. She now provides our firm with not only office management, but also preparation of appraisals, appraisal reviews, agent price estimates, right-of-way cost estimates, acquisition/negotiation support and those other real estate services that are associated with our representation of public agencies.

Jamee Barfield is a Florida State Certified Real Estate Appraiser (No. RZ2264) and a licensed Florida Real Estate Agent (No. SL3357611). She has successfully completed numerous appraisal and specialty courses, appraised or reviewed a broad spectrum of property types for real property acquisitions.

In 1992, she and two partners founded The Appraisal Group of Central Florida, and in 1999 she formed her own appraisal firm, Condemnation Appraisal Services, Inc. She joined Ed Barfield at Edwin R. Barfield, LLC, in 2012, and is President of the firm.

Statement of Our Availability to Provide the City of Mount Dora with the Requested Services

It is noted that the RFQ indicates that this contract will be for a period of three years with the option for two one-year renewal periods. Thus, it is not possible to identify the allocated and available staff hours that we will have available for City of Mount Dora Projects during the term of this contract, if awarded, since our workload at the time when the City may request that we provide a proposal cannot be known with any degree of certainty. In addition, since the size of a potential City of Mount Dora Project is also unknown at this time, it is not possible to identify on a percentage basis the average amount of time we will have available monthly for City of Mount Dora Projects.

As of the date of this proposal, our monthly availability on a percentage basis for City of Mount Dora Projects is 30% for Ed Barfield and 45% for Jamee Barfield.

Regardless of the above indicated percentages of availability, we commit to allocating the amount of our time that will be needed to provide the City of Mount Dora with delivery of the same level of high-quality appraisals, on time and within budget, as we have consistently provided to the City and all of our clients on prior assignments.

The following graph indicates the percentage of staff hours that will be allocated for City of Mount Dora Projects:

Statement of Existing Relationships Effect on Our Ability to Provide the Requested Services

The Barfield Group does not have any existing relationships that might affect either positively or negatively our ability to perform services that may be requested by the City of Mount Dora.

Fee Proposal**

City of Mount Dora

Re: City of Mount Dora Appraisal Services – Land and Real Property (RFQ #24-CM-018)
Appraisal Hourly Rate and Explanation

Dear Whitney,

Per your request, I offer the following response concerning our fee rate and the terms that are in our current appraisal services contract with the City:

Appraisal fees are determined by the scope of services for a particular appraisal assignment and are dependent upon identification of the valuation analysis that will be necessary to provide a thorough and well-supported appraisal report. Under USPAP (Uniform Standards of Professional Appraisal Practice), the appraiser is to first determine the appropriate scope of services before identifying the fee to ensure that the client receives an appraisal report that is going to satisfy the client's needs. Thus, there is no "rate schedule" for appraisal services.

The CONTRACTOR's hourly rate for Appraisal Services is \$200; however, each appraisal assignment shall be bid as a lump sum fee that is dependent upon the appraisal scope of services which are identified as being applicable.

Please let me know if there are any questions.

Sincerely,

A handwritten signature in blue ink that reads "Edwin R. Barfield".
